JENNIFER A. GRUBER, R.N., : WISCONSIN LICENSE
APPLICANT. : **ORDER 0008185**

The parties to this action for the purpose of Wis. Stat. § 227.53 are:

Jennifer A. Gruber, R.N.
Chippewa Falls, WI 54729

Wisconsin Board of Nursing
Department of Safety and Professional Services
4822 Madison Yards Way
P.O. Box 8935
Madison, WI 53708-8935

The parties in this matter agree to the terms and conditions of the attached Stipulation as the resolution of this renewal application. The Wisconsin Board of Nursing (Board) adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Jennifer A. Gruber (Applicant) filed an application to renew her Wisconsin Registered Nurse license (license number 244542-30).
2. Applicant resides in Wisconsin.
3. Information received in the application process reflects that Applicant has the following violations and convictions:
 - A. On or about August 3, 2018 - Operating While Intoxicated (OWI) 1st, an ordinance violation.
 - B. On or about March 11, 2020 - Disorderly Conduct, an ordinance violation.
 - i. Applicant had been identified as a passenger in a truck that had been reported as driving recklessly. The truck pulled into a bar parking lot and Applicant was seen entering the bar. Police attempted to speak with Applicant but Applicant ignored them. As police escorted Applicant out

of the bar, she tensed her arm. Once outside, police instructed Applicant to remain seated. Applicant refused to stay seated and yelled multiple times “dad is not going to be happy with this.” Applicant paid a fine.

- C. On or about August 18, 2022 - Operating with a Prohibited Alcohol Concentration (PAC) 2nd, a misdemeanor conviction.
 - i. Around 10:00 p.m., police received a call about a possibly intoxicated motorist driving in circles at a golf course parking lot. The caller expressed a sense of urgency as the suspected driver almost caused a collision with another car. Police pulled Applicant over for driving the suspect vehicle. Police observed the odor of intoxicants emanating from Applicant. Applicant told police she “would be a good girl and go home, and (they) didn’t need to talk about it.” Applicant failed the Standard Field Sobriety Tests by failing to follow simple directions, having a short attention span, and constantly moving. Applicant blew a Preliminary Breath Test (PBT) of .24. When asked when she began drinking, Applicant stated, “early on” and “after I got done with work.” Applicant paid a fine, served ten (10) days jail, her driver’s license is revoked for fourteen (14) months, she has an Ignition Interlock Device (IID) for twelve (12) months, and Applicant completed an Alcohol and Other Drug Abuse (AODA) assessment.
- 4. Applicant’s AODA assessment found Applicant’s OWI 2nd conviction to have been an instance of irresponsible use of alcohol – borderline, and required her to complete level two (2) alcohol education.
 - A. Applicant provided a statement explaining that Applicant was using alcohol as an unhealthy coping mechanism to deal with her sibling’s death. Applicant further provided that she now attends therapy regularly and no longer consumes alcohol and provided a sobriety date of October 14, 2021, less than one (1) year of sobriety.
- 5. Information received in the application process reflects that Applicant did not disclose her 2018 OWI 1st violation in connection with her initial application for her Registered Nurse license.
 - A. On July 30, 2018, Applicant submitted a signed form 2252, noting in three (3) separate places that she did not have any pending charges.
 - i. Applicant only disclosed two (2) convictions for Theft-Movable Property in 2006 and Obstruction of an Officer in 2007.
 - B. On or about August 3, 2018, Applicant was found guilty of her OWI 1st ordinance violation.
 - C. Applicant’s signed form 2252 contained a continuing duty of disclosure, wherein she attested she was obligated to provide any necessary information

to ensure the information on her application remains current, valid, and truthful.

D. Without knowledge of Applicant's OWI 1st violation, the Board granted Applicant's Registered Nurse credential on November 2, 2011.

6. Department records demonstrate Applicant did not report her OWI 2nd conviction to the Board within forty-eight (48) hours of entry of the judgment of conviction.

7. In resolution of this matter, Applicant consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

3. Pursuant to Wis. Stat. § 441.07(1g)(c), the Board may deny an initial license or revoke, limit, suspend, or deny the renewal of a license due to acts which show the registered nurse, nurse-midwife or licensed practical nurse to be unfit or incompetent by reason of negligence, abuse of alcohol or other drugs or mental incompetency.

4. Pursuant to Wis. Stat. § 441.07(1g)(d), the Board may deny an initial license or revoke, limit, suspend, or deny the renewal of a license of a registered nurse for misconduct or unprofessional conduct.

6. By the conduct described in the Findings of Fact, Applicant violated Wis. Stat. §§ 441.07(1g)(b),(c), and (d), and Wis. Admin. Code § N 7.03(6)(f), by committing acts which show Applicant to be unfit or incompetent by reason of abuse of alcohol or other drugs; and Applicant is unable to practice safely by reason of alcohol or other substance abuse.

7. Pursuant to Wis. Stat. §§ 441.07(1g)(b) & (d), and Wis. Admin. Code § N 7.03(5)(e), an applicant for licensure may be denied or limited for engaging in fraud, deceit, or material omission in obtaining a license.

8. By the conduct described in the Findings of Fact, Applicant engaged in deceit by failing to disclose her OWI 1st violation, signing a document stating she had no pending charges, and failing to uphold her continuing duty of disclosure in connection with her initial Registered Nurse license application.

9. Pursuant to Wis. Stat. §§ 440.03(13)(am), 441.07(1g)(b) & (d), and Wis. Admin. Code § SPS 4.09(2) and § N 7.03(1)(h), Applicant was obligated to report the conviction to the Board within 48 hours of entry of the judgment of conviction.

11. Pursuant to Wis. Stat. § 440.08(4), the Board may deny the Applicant's application for renewal of Applicant's Registered Nurse credential to protect the public health, safety, or welfare.

12. By the conduct described in the Findings of Fact, limitations on Applicant's license are necessary to protect the public health, safety, or welfare, pursuant to Wis. Stat. § 440.08(4).

13. As a result of the above conduct, Applicant is subject to limitations on her license pursuant to Wis. Stat. §§ 440.08(4), 440.03(13)(am), 441.07(1g)(b), 441.07(1g)(c), and 441.07(1g)(d), and Wis. Admin. Code §§ 7.03(5)(e), N 7.03(6)(f), N 7.03(1)(h), and SPS 4.09(2).

ORDER

1. The attached Stipulation is accepted.
2. Limitations upon Applicant's Registered Nurse license are necessary to ensure that she is fit and competent to safely practice as a Registered Nurse.
3. Applicant's ability to practice as a Registered Nurse in the state of Wisconsin, and her privilege to practice pursuant to the Nurse Licensure Compact (Compact), is LIMITED as follows:
 - a. For a period of at least two (2) years from the date of this Order:
 - i. Applicant shall enroll and participate in a drug and alcohol monitoring program which is approved by the Board or its designee (Approved Program). Enrollment shall occur within thirty (30) calendar days from the date of this Order.
 - ii. At the time Applicant enrolls in the Approved Program, Applicant shall review the rules and procedures made available by the Approved Program. Failure to comply with all requirements for participation in drug and alcohol monitoring established by the Approved Program is a substantial violation of this Order. The requirements shall include:
 1. Contact with the Approved Program as directed on a daily basis, including vacations, weekends and holidays.

2. Production of a urine, blood, sweat, fingernail, hair, saliva or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.
 3. The Approved Program shall require the testing of specimens at a frequency of not less than twenty-eight (28) times per year (one (1) of which may be a hair test at the Board's discretion), for at least the first year of this Order. Thereafter, the Board may adjust the frequency of testing on its own initiative at any time.
- iii. Applicant shall abstain from all personal use of alcohol.
 - iv. Applicant shall abstain from all personal use of controlled substances as defined in Wis. Stat. § 961.01(4), except when prescribed, dispensed or administered by a practitioner for a legitimate medical condition. Applicant shall disclose Applicant's drug and alcohol history and the existence and nature of this Order to the practitioner prior to the practitioner ordering the controlled substance. Applicant shall at the time the controlled substance is ordered immediately sign a release in compliance with state and federal laws authorizing the practitioner to discuss Applicant's treatment with, and provide copies of treatment records to, the Board or its designee. Copies of these releases shall immediately be filed with the Department of Safety and Professional Services Monitor (Department Monitor).
 - v. Applicant shall report to the Department Monitor all prescription medications and drugs taken by Applicant. Reports must be received within twenty-four (24) hours of ingestion or administration of the medication or drug, and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs. Each time the prescription is filled or refilled, Applicant shall immediately arrange for the prescriber or pharmacy to fax and mail copies of all prescriptions to the Department Monitor.
 - vi. Applicant shall provide the Department Monitor with a list of over-the-counter medications and drugs that Applicant may take from time to time. Over-the-counter medications and drugs that mask the consumption of controlled substances or of alcohol, create false positive screening results, or interfere with Applicant's treatment and rehabilitation, shall not be taken unless ordered by a physician,

in which case the drug must be reported as described in the paragraph 3(a)v.

- vii. All positive test results are presumed valid and may result in automatic suspension of licensure by the Board or the Board's designee. A positive test is a violation of this order.
- viii. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Applicant shall promptly submit to additional tests or examinations as the Board or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- ix. Applicant shall provide Applicant's nursing employer with a copy of this Order before engaging in, or continuing to engage in, any nursing employment. Applicant shall provide the Department Monitor with written acknowledgment from each nursing employer that a copy of this Order has been received. Such acknowledgment shall be provided to the Department Monitor within fourteen (14) days of beginning new employment and/or within fourteen (14) days of the date of this Order for employment current as of the date of this Order.
- x. It is Applicant's responsibility to arrange for quarterly written reports to be submitted to the Department Monitor from her supervisor at each setting in which Applicant practiced nursing in the previous quarter. These reports shall be submitted as directed by the Department Monitor, and shall assess Applicant's work performance, and shall include the number of hours of active nursing practice worked during that quarter. If a report indicates poor performance, the Board may institute additional limitations on Applicant's nursing license, in its discretion.
- xi. Applicant may work as a nurse or other health care provider in a setting in which Applicant has access to controlled substances.
- xii. Applicant shall report to the Board any change of employment status, residence, address or telephone number within five (5) days of the date of change.
- xiii. Applicant shall commit no new violations of law and shall report all law enforcement contacts leading to arrest, charge or conviction, including DWI/OWI and municipal/ordinance violations, to the Department Monitor within forty-eight (48) hours

of any such event, including any convictions resulting from pending charges.

- A. For a period of a least two (2) years from the date of this Order, Applicant shall comply with following mental health treatment requirements:
- i. Within thirty (30) days of the date of this order, Applicant shall provide proof to the Department Monitor that Applicant is seeking or continuing mental health treatment with a mental treatment provider (Treater), whose credential is in good standing, and approved by the Board. Applicant shall participate in, cooperate with, and follow all treatment recommended by Treater.
 - ii. Applicant shall immediately provide Treater with a copy of the Order and all subsequent orders.
 - iii. Applicant's treatment shall include individual and/or group therapy sessions at a frequency to be determined by Treater, but not less than once a month. Therapy may end only upon a determination by the Board or its designee after receiving a petition for modification, including a recommendation from Treater expressly approving termination of therapy.
 - iv. Treater shall immediately report any relapse, violation of any of the terms and conditions of this Order, and any suspected unprofessional conduct, to the Department Monitor. If Treater is unable or unwilling to serve as Treater, Applicant shall immediately seek approval of a successor Treater by the Board or its designee.

4. Applicant may petition the Board on an annual basis for modification of the terms of this Order, however no such petition for modification shall occur earlier than one (1) year from the date of this Order. Any petition for modification shall be accompanied by a written recommendation from Applicant's Treater expressly supporting the specific modifications sought. Denial of a petition in whole or in part shall not be considered a denial of a license within the meaning of Wis. Stat. § 227.01(3)(a), and Applicant shall not have a right to any further hearings or proceedings on the denial.

5. After two (2) consecutive years of successful compliance, including at least six hundred (600) hours of approved nursing practice each year, the Applicant may petition the Board for return of full licensure. The Board may grant or deny any petition, in its discretion, or may modify this Order as it sees fit.

6. Pursuant to the Compact, Applicant may not practice in a Compact State, other than Wisconsin, while her license is encumbered by any limitation or restriction imposed by this order.
