FINAL DECISION AND ORDER

**ORDER 0008364**

---

Division of Legal Services and Compliance Case No. 22 MED 252

The parties to this action for the purpose of Wis. Stat. § 227.53 are:

Kavita H. Vyas, M.D.  
Bethesda, MD 20817

Wisconsin Medical Examining Board  
P.O. Box 8366  
Madison, WI 53708-f8366

Division of Legal Services and Compliance  
Department of Safety and Professional Services  
P.O. Box 7190  
Madison, WI 53707-7190

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Medical Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Respondent Kavita H. Vyas, M.D., (Year of Birth 1984) is licensed in the state of Wisconsin to practice medicine and surgery, having license number 56918-20, first issued on March 21, 2012, and registration current through October 31, 2023. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Bethesda, Maryland 20817.

2. At all times relevant to this proceeding, Respondent was a physician specializing in pulmonary/critical care at a facility in Maryland (Facility).

3. On March 5, 2018, a fifty-two-year-old male patient (Patient A) with a history of non-resolving pneumonia and empyema was transferred to the Facility after interventional radiology guided chest tube placement was attempted unsuccessfully at another Facility.

4. On March 7, 2018, Respondent placed Patient A's chest tube in the bronchoscopy procedure room of the Facility. Prior to starting the procedure, an ultrasound was completed which demonstrated a small loculated fluid collection. Respondent utilized a spinal needle in an effort to access the pleural space and administer local anesthetic. Approximately 50 cc of yellow fluid was obtained, and Respondent placed a chest tube with trocar assistance in the same location. When frank blood was returned, Respondent was concerned about misplacement of the chest tube and an emergent chest x-ray was obtained in the procedure room. Location of the chest tube was concerning for misplacement and a CT scan was obtained. Respondent was informed via telephone by radiology that the chest tube was in the parenchyma and needed to be removed. The imaging was not loaded into the electronic medical records system and could not be reviewed by Respondent. Respondent removed the chest tube at the bed side and Patient A developed severe hemoptysis and a code was called. Despite resuscitation efforts for almost one hour, surgical chest tube placement, anesthesia support for intubation and multiple transfusions, Patient A expired.

5. Respondent did not consult with a thoracic surgeon for evaluation and operative removal of the chest tube.

6. At the time of Patient A's procedure, chest tubes with trocar assistance were the only type of chest tube available at the Facility. As a result of this incident, pigtail chest tubes are available at the Facility and imaging is now immediately available in the procedure room.

7. Respondent denies wrongdoing or substandard care but consents to the entry of the following Conclusions of Law and Order in resolution of this matter.

#### CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 448.02(3) and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Respondent engaged in unprofessional conduct as defined in Wis. Admin. Code § Med 10.03(2)(b) by departing from or failing to conform to the standard of minimally competent medical practice which creates an unacceptable risk of harm to a patient or the public whether or not the act or omission resulted in actual harm to any person.

3. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 448.02(3).
