This Reports of Decisions document was retrieved from the Wisconsin Department of Safety and Professional Services website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The status of an appeal may be found on court access websites at:

On September 8, 2022, the Department sent letters to three addresses requesting responses.¹

The Department also finds evidence of misconduct stemming from your civil and criminal judgments. On January 20, 2023, The Department performed a Wisconsin Circuit Court Access records (CCAP) search and found numerous unsatisfied civil and small claim judgments entered against you and your company.² The Department finds that this constitutes misconduct. The Department also found criminal charges entered against you that relate to your credential.³

Based on the record before the Department, the Department finds by a preponderance of evidence that your actions in 22 COM 34 and 22 COM 66 and the civil judgments entered against you constitute misconduct as defined by Wisconsin Administrative Code and the Department can enter discipline against you as allowed by Wis. Admin. Code § SPS 305.10(1)(a)5. *See also* Wis. Admin. Code § SPS 305.003(43) for the definition of “misconduct.”

Second, due to the failure to respond the Department finds that discipline is warranted as allowed by Wis. Stat. § 440.20(5)(a) (via Wis. Stat. § 101.022) as you have failed to respond to the Department’s requests for information.

You have the right to request a hearing on the revocation by sending a request for hearing to the Department of Safety and Professional Services, Chief Legal Counsel, P.O. Box 7190, Madison, Wisconsin 53707-7190, which must be received by the Department no later than 30 days from the date of mailing of this Notice. Your request for hearing must set out specifically and in full detail every reason why such order is unreasonable, and every issue to be considered by the department on the hearing. You shall be deemed to have finally waived all objections to any irregularities and illegalities in the order upon which a hearing is sought other than those set forth in the petition. Any hearing on the revocation will be held in accordance with the requirements set forth in Wis. Stat. ch. 227.

Dated at Madison, Wisconsin on March 10, 2023.
