: FOR REMEDIAL EDUCATION
KIMBERLY LANGE, L.P.N., :
LICENSEE. :
ORDER 0008490

Division of Legal Services and Compliance Case No. 22 NUR 291

The parties to this action for the purposes of Wis. Stat. § 227.53 are:

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Kimberly Lange, L.P.N. (Licensee), (Year of Birth 1972) is licensed in the state of Wisconsin as a licensed practical nurse, having license number 326868-31, first issued on March 10, 2022 and current through April 30, 2023. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in San Pedro, California 90731.

2. At all times relevant to this proceeding, Licensee worked via a staffing agency, as a licensed practical nurse at a county healthcare facility located in Green Bay, Wisconsin (Facility).

3. On April 19, 2022, a Facility charge nurse suspected Licensee of intoxication while working and diversion of a patient's alcohol and/or controlled substances. The patient was approved to consume two ounces of scotch daily.

4. Licensee denied diversion and denied being intoxicated at work. She explained that on the day in question she was working a double-shift, and likely had low-blood sugar since she had not eaten. Licensee submitted to a 10-panel drug test which returned negative for all testable substances.

5. The Facility did not substantiate that Licensee diverted alcohol or medication. However, the charge nurse did determine that medication Licensee allegedly gave a resident was still located in the medication cart and that Licensee left opioids in an unlocked medication cart drawer. In addition, Licensee admitted to the charge nurse that she gave residents their P.M. medications without noting such administration in the electronic medication administration record, and that she gave residents their P.M. medications out of the A.M. medication cards.

6. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Board is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

ORDER

1. The attached Stipulation is accepted.

2. Within six (6) months of the date of this Order, Licensee shall at her own expense take and successfully complete six (6) hours of education on the topic of handling and documentation of narcotic drugs as follows:

- a. Each course attended in satisfaction of this Order must be pre-approved by the Board or its designee. Licensee shall be responsible for locating course(s) satisfactory to the Board and for obtaining the required approval of the course(s) from the Board or its designee. Licensee must take and pass any exam offered for the course(s).
- b. Licensee shall submit proof of successful completion of the education in the form of verification from the institution providing the education to the Department Monitor at the address stated below. None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board and may not be used in any future attempt to upgrade a credential.
- c. The Board's monitoring liaison may change the number of credit hours and/or education topics in response to a request from Licensee. The monitoring liaison

may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.

3. Requests for course approval and proof of successful course completion shall be sent by Licensee to the Department Monitor at the address below:
