4. Respondent was reprimanded, and Respondent's license to practice as a registered nurse in the state of Wisconsin, her certificate to practice as an advanced practice nurse prescriber (license number 239168-30 and certificate number 8327-33), and her privilege to practice in Wisconsin pursuant to the Nurse Licensure Compact (Compact), were limited. On September 19, 2022 that evaluation concluded with a diagnosis of "Alcohol use disorder, mild, early remission." The physician completing the evaluation recommended that Respondent engage in a monitoring program for at least one year consisting of daily breathalyzer or random urine screenings.

10. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

2. By the conduct described in the Findings of Fact, Respondent showed an inability to practice safely by reason of alcohol or other substance use within meaning of Wis. Admin. Code § N 7.03(6)(f).
3. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 441.07(1g)(b), (c), and (d) and Wis. Admin. Code. § N 7.03.

ORDER

1. The attached Stipulation is accepted.
2. Respondent is REPRIMANDED.
3.  - a. For a period of at least two (2) years from the date of this Order:
 - i. Respondent shall enroll and participate in a drug and alcohol monitoring program which is approved by the Department (Approved Program). Enrollment shall occur within thirty (30) calendar days from the date of this Order.
 - ii. At the time Respondent enrolls in the Approved Program, Respondent shall review all of the rules and procedures made available by the Approved Program. Failure to comply with all requirements for participation in drug and alcohol monitoring established by the Approved Program is a substantial violation of this Order. The requirements shall include:
 1. Contact with the Approved Program as directed on a daily basis, including vacations, weekends and holidays.
 2. Production of a urine, blood, sweat, fingernail, hair, saliva or other specimen at a collection site designated by the Approved Program within five (5) hours of notification of a test.
 3. The Approved Program shall require the testing of specimens at a frequency of not less than forty-nine (49) times per year (one of which may be a hair test at the Board's

discretion), for at least the first year of this Order. Thereafter, the Board may adjust the frequency of testing on its own initiative at any time.

It is Respondent's responsibility to educate herself about the medications and substances which may violate this paragraph, and to avoid those medications and substances.

- vii. All positive test results are presumed valid and may result in automatic suspension of licensure by the Board or the Board's designee. Respondent must prove by a preponderance of the evidence an error in collection, testing, fault in the chain of custody or other valid defense.
- viii. If any urine, blood, sweat, fingernail, hair, saliva or other specimen is positive or suspected positive for any controlled substances or alcohol, Respondent shall promptly submit to additional tests or examinations as the Board, or its designee shall determine to be appropriate to clarify or confirm the positive or suspected positive test results.
- ix. Respondent shall practice only in a work setting pre-approved by the Board or its designee.
- x. Respondent shall provide his or her nursing employer with a copy of this Order and any subsequent order modifying this Order before engaging in any nursing employment. Respondent shall provide the Department Monitor with written acknowledgment from each nursing employer that a copy of this Order and any subsequent order modifying this Order has been received. Such acknowledgment shall be provided to the Department Monitor within fourteen (14) days of beginning new employment and/or within fourteen (14) days of the date of this Order and any subsequent order modifying this Order for employment current as of the date of this Order.

4. A violation of this Order includes a positive drug or alcohol screen.

5. After the first year from the date of this Order, Respondent may petition the Board on an annual basis for a modification of the terms of this Order. After two (2) consecutive years of successful compliance, the Respondent may petition the Board for return of full licensure. The Board may grant or deny any petition, in its discretion, or may modify this Order as it sees fit.

6. Within 120 days from the date of this Order, Respondent shall pay COSTS of this matter in the amount of \$739.00.
