PROCEEDINGS AGAINST :
 : FINAL DECISION AND ORDER
LUKE E. TANKOVICH, R.N. :
RESPONDENT. : **ORDER 0008627**

Division of Legal Services and Compliance Case No. 21 NUR 810

The parties to this action for the purpose of Wis. Stat. § 227.53 are:

Luke E. Tankovich, R.N.
Alma Center, WI 54611

Wisconsin Board of Nursing
P.O. Box 8366

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Luke E. Tankovich, R.N. (Respondent), (Year of Birth 1976) is licensed in the state of Wisconsin as a registered nurse, having license number 225856-30, with multistate privileges pursuant to the Nurse Licensure Compact (Compact), first issued on November 16, 2015, and current through February 29, 2024. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Alma Center, Wisconsin 54611.

2. At all times relevant to this proceeding, Respondent worked as a registered nurse through a nursing staffing agency at a medical center located in Appleton, Wisconsin (Facility). Respondent's assignment to the Facility began on September 14, 2021.

3. Throughout November 2021, Facility staff made several complaints about Respondent's practices and the quality of care that he provided to patients. The Facility reviewed the concerns and found problems with the care and treatment that Respondent provided to three patients: Patient N.K., Patient P.H., and Patient D.R.

Patient N.K.

4. On November 26, 2021, Respondent charted that 10mg of oxycodone (consisting of two, 5mg tablets) were administered to Patient N.K. However, Patient N.K. did not take one of the 5mg tablets and instead kept it on the bedside table. Respondent did not waste the untaken tablet or accurately chart the administration of 5mg in the medication administration record.

5. Prior to dispensing or administering Patient N.K.'s oxycodone, Respondent did not document that he obtained Patient N.K.'s vital signs or conducted a pain assessment as required.

6. Patient N.K.'s orders for urinary output were to notify Patient N.K.'s physician if output was less than 200mL per shift or less than 30mL per hour. After removal of Patient N.K.'s foley catheter, Patient N.K. was not voiding. Respondent did not contact Patient N.K.'s provider. Subsequently, orders were received to perform a bladder scan in instances of urinary retention. Respondent documented the completion of bladder scans but failed to notify Patient N.K.'s provider.

Patient P.H.

7. On November 27, 2021, Patient P.H. was admitted to the Facility and underwent the placement of a chest tube while in the emergency room. Respondent maintained Patient P.H.'s chest tube on continuous wall suction without orders to do so. The next morning, another nurse paged the provider and obtained a physician order for the continuous suction.

8. During his shift on November 28, 2021, Respondent neither documented an assessment of Patient P.H. nor anything related to the chest tube. Respondent only documented Patient P.H.'s medication administration.

Patient D.R.

9. On November 26, 2021, Patient D.R. was admitted to the Facility after cervical surgery. Patient D.R. complained of difficulty swallowing and needed increased oxygen. Respondent did not update provider. Respondent did not document vital signs for Patient D.R.

10. The Facility investigation also revealed several instances of Respondent's failure to obtain vital signs, consistent failures to complete tasks or attend to patient needs, and non-compliance with medical orders. The Facility did not extend Respondent's contract amid nursing practice and controlled substance administration concerns. Respondent's contract with the Facility expired on December 12, 2021.

11. Based on the Facility's actions and determinations, Respondent's staffing agency ceased offering him placements.

12. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07 and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Respondent departed from or failed to conform to the minimal standards of acceptable nursing practice that may create unnecessary risk or danger to a patient's life, health, or safety, within the meaning of Wis. Admin. Code § N 7.03(6)(c).

3. By the conduct described in the Findings of Fact, Respondent failed to observe the conditions, signs and symptoms of a patient, record them, or report significant changes to the appropriate person, within the meaning of Wis. Admin. Code § N 7.03(6)(p).

4. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 441.07(1g)(b) and (d), and Wis. Admin. Code § N 7.03.

None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board or Department, and also may not be used in future attempts to upgrade a credential in Wisconsin.
- c. The Board's monitoring liaison may change the number of credit hours and/or education topics in response to a request from Respondent. The monitoring liaison may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.

4. Within ninety (90) days from the date of this Order, Respondent shall pay COSTS of this matter in the amount of \$837.00.

The Board may, in addition and/or in the alternative refer any violation of this Order to the Division of Legal Services and Compliance for further investigation and action.

8. This Order is effective on the date of its signing.
