The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Teah M. Bersch, L.P.N. (Licensee), (Year of Birth 1972) is licensed in the state of Wisconsin as a licensed practical nurse with multistate privileges pursuant to the Nurse Licensure Compact (Compact), having license number 304091-31, first issued on October 31, 2002, and current through April 30, 2023. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Green Bay, Wisconsin 54311.

2. At all times relevant to this proceeding, Licensee worked as a licensed practical nurse at a rehabilitation center located in Oconto, Wisconsin (Facility).

3. On October 30, 2021, Licensee arrived to work for her evening shift (7 p.m. to 6 a.m.), 20 minutes late. The registered nurses on the earlier shift, left without providing a report to Licensee.

4. During the evening shift, Licensee provided care to Patient A, an 82-year old male. Licensee observed that Patient A was unresponsive and that his condition had deteriorated from when Licensee last saw Patient A. Licensee charted that Patient A was unresponsive during her shift but did not chart a change in condition or take required action when a change in condition was first noted. Licensee did not notify Patient A's family or physician.

5. Licensee maintains that Facility staff told her Patient A was actively dying prior to her arrival for the evening shift and believed that shift personnel had already noted this change in condition and changed his plan to comfort care. Licensee acknowledged that no change in condition was charted in the patient records and the 24-hour report did not note a change in condition.

6. On October 31, 2021, at the end of Licensee's shift, Patient A was found with labored breathing, pale and clammy skin, and was subsequently transported to the hospital.

7. In resolution of this matter, Licensee consents to the entry of the following Conclusions of Law and Order.

#### CONCLUSIONS OF LAW

1. The Board is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

#### ORDER

Licensee shall be responsible for locating course(s) satisfactory to the Board and for obtaining the required approval of the course(s) from the Board or its designee. Licensee must take and pass any exam offered for the course(s).
  - b. Licensee shall submit proof of successful completion of the education in the form of verification from the institution providing the education to the Department Monitor at the address stated below. None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board and may not be used in any future attempt to upgrade a credential.

- c. The Board's monitoring liaison may change the number of credit hours and/or education topics in response to a request from Licensee. The monitoring liaison may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.
