Wisconsin Medical Examining Board  
P.O. Box 8366

P.O. Box 7190

The parties agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Medical Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Respondent Adegboyega H. Lawal, M.D., (Year of Birth 1965) is licensed in the state of Wisconsin to practice medicine and surgery, having license number 43754-20, first issued on September 4, 2001, with registration current through October 31, 2023. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in River Hills, Wisconsin 53217.

Prior Discipline

2. On April 19, 2017, the Board issued Final Decision and Order No. 0005272 suspending Respondent's license for one week for injecting gadolinium intrathecally into a patient

as a contrast agent to assess a pain pump's integrity, causing the patient to experience an adverse response to the contrast agent and to temporarily become comatose.

3. On September 19, 2018, the Board issued Final Decision and Order No. 0005890 reprimanding Respondent for not distinguishing in his written documentation between the total volume of gadolinium solution utilized in the incident above and the total volume of non-diluted gadolinium. Respondent was ordered to complete education on documentation and ethics.

#### Current Case

4. At all times relevant to this proceeding, Respondent practiced anesthesiology and pain management at a healthcare facility in Milwaukee, Wisconsin.

5. On June 22, 2022, the Wisconsin Controlled Substances Board referred Respondent to the Department after Prescription Drug Monitoring Program (PDMP) data identified him as a top opioid prescriber by volume in the state of Wisconsin for the fourth quarter of 2021.

6. As part of its investigation, the Department reviewed selected 2021 patient records and Respondent's 2021 PDMP query history. The Department concluded the following:

- a. Respondent does not regularly prescribe benzodiazepines for his patients, but the Department identified three patients for whom Respondent prescribed opioids who were prescribed benzodiazepines by other providers and failed to chart a reasonable justification for the combination or a conversation with the patients of the risks.
- b. Respondent continued to prescribe opioids to some patients after charting pain scores of 8/10 or 9/10, suggesting the opioids may not have provided a benefit, without adequate discussion in the records of Respondent's consideration of that possibility.
- c. Respondent failed to consistently chart the functional benefit and the percent of pain relief for patients on opioid therapy.
- d. Respondent failed to use an opioid risk tool prior to prescribing opioids.
- e. There is no evidence Respondent facilitated or tolerated misuse of prescription medications by the selected patients.

7. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

#### CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 448.02(3) and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. Based on the Findings of Fact, Respondent engaged in unprofessional conduct as defined in Wis. Admin. Code § Med 10.03(2)(b) by departing from or failing to conform to the standard of minimally competent medical practice which creates an unacceptable risk of harm to a patient or the public whether or not the act or omission resulted in actual harm to any person.

3. Based on the Findings of Fact, Respondent engaged in unprofessional conduct as defined in Wis. Admin. Code § Med 10.03(2)(c) by prescribing, ordering, dispensing, administering, supplying, selling, giving, or obtaining any prescription medication in any manner that is inconsistent with the standard of minimal competence.

4. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 448.02(3).
