Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

You are receiving this flag/suspension because the Department received a complaint that you received monies to build a deck/patio at 802 S Military Avenue, Green Bay, WI 54304. The complaint alleged that you received funds, demolished the patio, failed to properly pull a permit, and then failed to complete the work. The investigation found that a civil judgment was entered against you that has not been satisfied.

The Department attempted to contact you for a response to the complaint and provided you notice that failure to respond could lead to discipline against your credentials. The Department sent a letter dated September 1, 2022, to your address of record. No response was received. The Department sent a certified letter dated March 7, 2023, demanding a response to the complaint by April 5, 2023. The Department received a certified receipt with your signature, printed name, and date of delivery as March 16. No response was received.

Due to the failure to respond, the Department finds that a flag/suspension is warranted as allowed by Wis. Stat. § 440.20(5)(a) (via Wis. Stat. § 101.022) as you have failed to respond to the Department's requests for information.

You have the right to request a hearing on the suspension of your credential by sending a request for hearing to the Department of Safety and Professional Services, Chief Legal Counsel, P.O. Box 7190, Madison, Wisconsin 53707-7190, which must be received by the Department no later than 30 days from the date of mailing of this Notice. Your request for hearing must set out specifically and in full detail every reason why such order is unreasonable, and every issue to be considered by the department on the hearing. You shall be deemed to have finally waived all objections to any irregularities and illegalities in the order upon which a hearing is sought other than those set forth in the petition. Any hearing on the suspension will be held in accordance with the requirements set forth in Wis. Stat. ch. 227.

Dated at Madison, Wisconsin on 21 August, 2023.
