The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Respondent Jeryl A. Fehrman, L.P.N., (Year of Birth 1955) is licensed in the state of Wisconsin as a licensed practical nurse, having license number 22625-31, with multistate privileges pursuant to the Nurse Licensure Compact (Compact), first issued on June 6, 1980. This license expired on May 1, 2023, and has not been renewed. Licensee retains the right to renew her license pursuant to Wis. Stat. § 440.08(3) through April 30, 2028. Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Madison, Wisconsin 53718.

2. At all times relevant to this proceeding, Respondent worked as a licensed practical nurse at a health and rehabilitation center located in Madison, Wisconsin (Facility).

3. On August 11, 2022, a Facility resident was holding a book while Respondent helped the resident into a wheelchair van. Respondent asked the resident why she had the book and the resident replied that she was reading it while waiting for the van to arrive. Without warning or asking, Respondent took the book from the resident and said the resident didn't need it. A Facility staff member reported that the resident seemed surprised by this.

4. During the Facility's investigation of this incident, four residents reported that Respondent was "rough" both physically and verbally when providing care. No residents reported any significant harm.

5. The Facility concluded Respondent did not intend to mistreat any residents, but Respondent admitted she would sometimes get frustrated when dealing with resident issues. The Facility placed Respondent on a performance improvement plan, which included education on therapeutic communication. However, Respondent left her employment at the Facility before completing the education.

6. During the Department's investigation into this matter, Respondent stated she is retired from nursing and does not intend to renew her license.

7. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

Stat. chs. 440 through 480, Respondent shall pay the costs of this matter in the amount of \$640.00, before any petition or application for a credential will be considered by the applicable board or Department.

4. In the event Respondent petitions the Board for reinstatement as a licensed practical nurse, the Board may enter an order denying such application without further notice or hearing. Whether to grant a license and whether to impose any limitations or restrictions on any license granted shall be in the sole discretion of the Board and such decision is not reviewable.
