- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Roger A. Krantz, R.N. (Respondent), (Year of Birth 1962) is licensed in the state of Wisconsin as a registered nurse, having license number 110958-30, first issued on September 11, 1992 and current through February 29, 2024. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Burnett, Wisconsin 53922

2. At all times relevant to this proceeding, Respondent worked as a registered nurse at a correctional facility located in Fox Lake, Wisconsin (Facility).

3. On May 28, 2021, Patient A had a tooth extracted.

4. On the morning of June 2, 2021, Patient A was evaluated by the treating dentist. Respondent spoke with the treating dentist and was informed to expect some bleeding following Inmate A's procedure.

5. At approximately 7:15 p.m. on June 2, 2021, Respondent was contacted by a corrections officer with a concern that Patient A was still bleeding. The corrections officer requested that Patient A be sent to the Health Services Unit at the Facility. Respondent refused to have Patient A be sent to the Health Services Unit. Respondent told the corrections officer to let Patient A know to continue taking his medications, which included warfarin, and not to put anything in his mouth or be messing with his mouth as there wasn't anything Respondent could do about the bleeding.

6. An hour later, the Officer noticed Inmate A was still bleeding from his mouth and could barely talk. The Officer sent Patient A to the Health Services unit to see Respondent. Respondent was upset that Patient A was sent to the Health Services Unit after telling the Officer not to do so. Respondent finally assessed Patient A and called the on-call doctor who ordered Patient A to be transported to the local emergency room for evaluation.

7. During an internal Facility investigation, Respondent admitted that there are different levels of bleeding that can happen, and the patient would need to be seen to determine what level is occurring. Respondent acknowledged that he should have seen Patient A right away and regretted not doing so.

8. Respondent was terminated from the Facility on October 5, 2021, as a result of his conduct related to Patient A.

9. Respondent denies he violated any statute or rules related to the practice of nursing. In order to avoid unnecessary time, resources, and expenses, Respondent consents to the entry of the following Conclusions of Law and Order.

#### CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07 and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Respondent departed from or failed to conform to the minimal standards of acceptable nursing practice that created unnecessary risk or danger to a patient's life, health or safety within the meaning of Wis. Admin. Code § N 7.03(6)(c).

3. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 441.07(1g)(b) and (d) and Wis. Admin. Code § N 7.03.
