#### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Safety and Professional Services from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Safety and Professional Services data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Safety and Professional Services, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Safety and Professional Services is shown on the Department's Web Site under "License Lookup."

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board of Nursing (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Respondent Amber M. Maves, R.N., (Year of Birth 1973) is licensed in the state of Wisconsin as a registered nurse, having license number 125793-30, first issued on March 24, 1997, and current through February 29, 2024. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in Evansville, Wisconsin 53536.

2. At all times relevant to this proceeding, Respondent worked as a registered nurse at a skilled nursing home located in Janesville, Wisconsin (Facility).

3. On August 4, 2022, a physician ordered the antibiotic daptomycin to Resident A (an 84-year-old female) to be administered intravenously.

4. During her shift on the night of August 4-5, 2022, Respondent accessed Resident's A's Port-a-Cath and administered the daptomycin through the Port-a-Cath, even though the physician's order did not state whether or not a Port-a-Cath should be used.

5. Respondent contemporaneously charted that she administered the daptomycin intravenously, but she did not chart her use of the Port-a-Cath until August 20, 2022. Respondent did not flush the port with heparin per protocol.

6. Although Respondent had been trained elsewhere on using a Port-a-Cath, Respondent had not received formal training at the Facility on using a Port-a-Cath, and was not certified at the Facility to access a patient's Port-a-Cath.

7. The Facility's Medication Administration Policy required that medications be administered "in accordance with written orders of the attending physician or physician extender" and that the individual who administers the medication "records the administration on the resident's MAR directly after the medication is given".

8. Respondent resigned from the Facility on September 7, 2022, and was placed on administrative leave until her last day of October 5, 2022.

9. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

#### CONCLUSIONS OF LAW

1. The Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 441.07 and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Respondent departed from or failed to conform to the minimal standards of acceptable nursing practice that may create unnecessary risk or danger to a patient's life, health, or safety within the meaning of Wis. Admin. Code § N 7.03(6)(c).

3. As a result of the above conduct, Respondent is subject to discipline pursuant to Wis. Stat. § 441.07(1g)(b) and (d), and Wis. Admin. Code § N 7.03.
