Division of Legal Services and Compliance Case No. 23 MED 213

The parties to this action for the purposes of Wis. Stat. § 227.53 are:

Shaista Shaik  
La Crosse, WI 54601

Wisconsin Medical Examining Board  
P.O. Box 8366  
Madison, WI 53708-8366

Division of Legal Services and Compliance  
Department of Safety and Professional Services  
P.O. Box 7190

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Medical Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

1. Licensee Shaista Shaik (Year of Birth 1983) is licensed in the state of Wisconsin to practice medicine and surgery pursuant to the Interstate Medical Licensure Compact (Compact), having license number 43-321, first issued on November 9, 2018, with registration expired as of November 1, 2023.<sup>1</sup> Licensee's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is in La Crosse, Wisconsin 54601.

---

<sup>1</sup> Pursuant to Wis. Stat. § 440.08, Licensee maintains the right to apply to renew her license through October 31, 2028.

2. At all times relevant to this proceeding, Licensee practiced as a pediatric ICU intensivist at a hospital located in La Crosse, Wisconsin (Facility).

3. On February 28, 2023, Patient A, a male born in 2008, presented to the Facility's emergency department with confusion, ataxia, and vomiting. He was admitted to the Facility for further work-up of acute onset encephalopathy.

4. On March 1, 2023 at 9:00 a.m., Patient A suffered a generalized tonic-clonic seizure. His airway became obstructed, he became cyanotic with agonal gasps, and a code blue was initiated.

5. Licensee was called in to assist with clinical management. Licensee maintains that Patient A was demonstrating improvement by the time she arrived. A nasal airway with oxygen had already been placed. Rather than intubate Patient A, Licensee consulted with anesthesia who assisted with two-hand mask ventilation until spontaneous ventilation resumed and the upper airway obstruction resolved. Licensee then ordered continuous positive airway pressure (CPAP).

6. Due to concerns for airway compromise, Patient A was transferred to the PICU where he experienced a second seizure and was intubated.

7. On March 31, 2023, Licensee voluntarily resigned her hospital and ambulatory privileges at the Facility after being summarily suspended.

8. This Final Decision and Order for Education does not constitute professional discipline and the Board has made no finding that Licensee engaged in unprofessional conduct.

9. Licensee denies any unprofessional conduct or deviation in the Standard of Care, but to resolve this matter, Licensee consents to the entry of the following Conclusions of Law and Order.

#### CONCLUSIONS OF LAW

1. The Wisconsin Medical Examining Board is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

#### ORDER

1. The attached Stipulation is accepted.

2. Within six (6) months of the date of this Order, Licensee shall at her own expense take and successfully complete six (6) hours of education on the topic of seizures and airway management as follows:

- a. Each course attended in satisfaction of this Order must be pre-approved by the Board or its designee. Licensee shall be responsible for locating course(s) satisfactory to the Board and for obtaining the required approval of the course(s) from the Board or its designee. Licensee must take and pass any exam offered for the course(s).

- b. Licensee shall submit proof of successful completion of the education in the form of verification from the institution providing the education to the Department Monitor at the address stated below. None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that have been or may be instituted by the Board or Department and may not be used in any future attempt to upgrade a credential.
  - c. The Board or its designee may change the number of credit hours and/or education topics in response to a request from Licensee. The Board or its designee may consider the topic availability and/or hours of education when determining if a change to the ordered education should occur.
3. Requests for course approval and proof of successful course completion shall be sent by Licensee to the Department Monitor at the address below:
