5. Despite representing to Nurse A that Respondent had completed her licensed practice nursing duties on September 24, 2022, it was discovered that Respondent failed to complete resident assessments and charting, failed to take or document residents' pain scores, and failed to sign out medications.

6. Other staff members working during Respondent's shift on September 24, 2022, were interviewed and reported that they observed Respondent sitting at the nurse's station for extended periods of time.

7. In September 2022, the Facility had received additional complaints from staff that Respondent failed to complete resident assessments and documentation and frequently left early from her shift.

8. On September 26, 2022, the Facility terminated Respondent's employment contract and notified the Agency. On that same date, the Agency terminated Respondent's employment.

9. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.
