### An inclusive nursing BSN community

By attending the largest pre-licensure Bachelor of Science in Nursing program in the country, you'll join a network of nurses who step forward to support each other – and their patients. Earn a BSN degree you can be proud of. Contact our admissions team to learn more.

- Be among more than 13,000 students and alumni nationwide
- Attend a CCNE accredited nursing school, with more than 130 years of history educating nurses

### Ask a Student

What's the difference with a Chamberlain nurse or Chamberlain as a nursing school?

"I interviewed for three jobs, and I was offered three positions. Each interviewer told me specifically that they have had really good experiences with Chamberlain-prepared graduates. It's important to know that your degree is respected in your community."

**Meris**

'21 BSN student, Columbus Campus

## Prepare to be a Confident Nurse

### A hands-on BSN program

Gain the skills and confidence you need to provide the highest quality of care to your patients in Chamberlain's BS Nursing program.

You'll start taking nursing classes on Day 1, with a focus on critical thinking and translating theory into practice. Some of your classes will be online. After you hone your nursing practice and caregiving skills in our labs, you'll be ready for clinicals.

[Request Information](#)

#### Small Class Sizes

Learn from instructors invested in your success, and who provide individualized support.

#### SIMCARE Center & Nursing Skills Labs

Practice nursing skills and receive feedback in a safe, simulated environment before you treat a patient.

#### Clinical Experience

Care for your first patients in diverse health care settings, with an experienced nursing BSN instructor by your side.

#### Entry Level BSN Program

The direct entry BSN program is designed for you to complete your general education requirements and nursing courses at the same time. This means you can start taking nursing courses as soon as your first semester. See the full BSN curriculum plan.

## Your Nursing School Support System

You're never alone at Chamberlain

The road to earning a BSN degree isn't always smooth -- and it's important to know you have a strong support system to partner with you on your good days and bad.

You can feel confident everyone shares the same goal at Chamberlain - to see you succeed as a nurse. Our 130+ years of educating nurses means have experience in delivering the support systems you need to complete your BSN and prepare you to take the NCLEX.

We're with you every step of the way.

### Center for Academic Success

Take your comprehension to the next level with workshops, tutoring, NCLEX® prep -- and much more.

### Ask a Student

What is campus life like?

"There was always an opportunity to join an organization on campus, and they did a really good job of including everyone and making their presence known. I thought it was great. There was always something going on."

Jesse

'21 BSN student, Houston Campus

## A Toolbox for Your Road to Registered Nurse

Leverage resources dedicated to your academic success

Ask a Chamberlain BSN student their secret to success and you're likely to hear a common response: they take advantage of all the resources available to support their nursing BSN journey.

### Academic Support

Take advantage of group course content review sessions or one-one reviews led by content experts. Ask questions of other BSN nursing students, or spend time with an expert going through a recent test to truly understand questions you might have missed.

### NCLEX-RN® support through ATI Nursing Education

The NCLEX-RN® Exam is too important to cram for. You'll start to prepare during your courses, with access to tutorials, assessments, practice tests and comprehensive support and planning tools. All are integrated into your BS in nursing curriculum so you feel confident on exam day.

### Virtual simulations through i-Human Patients (IHP)

As a nurse, your patient encounters will require you to perform a history, identify and prioritize issues, and interventions, and much more. When you care for a virtual i-Human patient, you'll get experience with these skills in a safe environment as you work towards your bachelor's degree.

## BSN Program Admission Requirements

How do I get started?

New students can enroll at Chamberlain up to six times per year, with no prerequisite courses required for admission.

For your nursing application, you should:

- Submit a completed Application for Admission located at [chamberlain.edu/apply](#)
- Submit a \$95 non-refundable\* application fee payable to Chamberlain University
- Schedule an interview with the admission representative
- Request official transcripts from all previously attended institutions
- Schedule and complete the HESI Admission Assessment (A2)

To view all requirements, review the Undergraduate Admission section of the [catalog](#)

\*Not all locations require an application fee. Visit the [location page](#) for your campus to learn more.

You're more than just an application or a test score.

If you fall below our academic eligibility requirements, our admissions committee will still consider whether you can be successful in our BSN program.

[Request Information](#)

### What happens after I apply?

Your application will be sent to the admission committee. If accepted into Chamberlain, you will need to initiate drug, background and fingerprint screenings and either clear all screenings within 120 days of the session start date or sign a self-attestation and disclosure indicating their ability to clear all screenings within 120 days of the session start date before the applicant is granted acceptance.

## Chamberlain Welcomes Transfer Students

Your BSN degree is closer than you think

Whether you have a bachelor's degree in another field, or have just taken a few classes at the college level, you may be able to earn your BSN degree even faster as a transfer student than the typical three years of year-round study.

### Bachelor's Degree in Another Field\*

Thinking of switching to a more meaningful career where you can serve others, or a fresh start in a fresh-growing field? Chamberlain is here to help you achieve it as quickly as possible - [request more information](#) to learn more. You'll have access to:

- Tailored academic advising that leverages your past education for your future nursing career
- A six-session "university seminar" that will help you transition seamlessly back to your education

\*Applicants for the Tyson's Corner campus must provide a high school/equivalency transcript documenting proof of graduation.

### Transfer Students

We welcome transfer students, and encourage you to plan ahead. Here's how to get started:

1. [Review the full BSN nursing transfer credit requirements](#)
2. [Contact admissions](#) to have your credit evaluation started - this will give you a full picture of what credits will transfer.

## Tuition & Expenses

Your Nursing School Investment

Earning your BSN degree is a significant investment, and one of the most important ones you will make. [View more information about tuition & expenses for our BSN program.](#) Get support as you navigate paying for your nursing education.

- More than 90% of Chamberlain students receive some form of financial aid.
- Check out our [Net Price Calculator](#) for an estimate of federal and institutional aid, or contact admissions, who can help you find a plan that fits your budget.

## Flexibility to Fit Your Life

### 100% online coursework that fits around your busy schedule

As a busy, working nurse, you need an RN to BSN program that meets you where you are. Chamberlain's RN to BSN online program is designed by nurses, for working nurses – and with over 130 years of experience in nursing education, we've gotten pretty good at understanding and meeting the diverse needs of our students.

Here's a few examples of what that might look like:

- Full-Time**  
You can earn your BSN in just one year. You'll take 2-3 courses per eight-week session.
- Part-Time**  
Nervous about going back to school? Take one course to start and see how it goes. Add in additional classes when you're ready - you have maximum flexibility in Chamberlain's RN to BSN online program.
- One Class at a Time**  
If you're an RN who hopes to take maximum advantage of employer reimbursement contributions, or you'd just like to take things slower, you can earn your BSN one course at a time. Online RN to BSN courses are offered every 8 weeks.

You can choose to attend full-time or part-time, whichever works for your schedule – and you're not locked into either if you're ready to move faster or slower through the online RN to BSN program, request information to learn more.

## Specialize Your Practice with a Nursing MSN

Choose from 9 specialty tracks in the online MSN program

As a registered nurse, you've likely been drawn to a specific area of the profession - whether it is mentoring nursing students on the floor, working with the elderly population, or implementing new technology. Perhaps you have always dreamed of practicing more independently as a nurse practitioner or leading a team of nurses to develop treatment plans and navigate through their careers. Whichever path you feel most passionate about, Chamberlain's MSN nursing degree program can prepare you to take that next step by honing your skills in one of 9 specialty areas.

Prepare to take that next step in your nursing career by honing your skills in one of 9 specialty areas in Chamberlain's MSN degree program. If you're unsure which track is right for you, our admission team will partner with you to discuss your career goals. Chamberlain offers both a traditional MSN and accelerated MSN route to meet the varying needs of our students. For students wanting to go the traditional MSN route, it is recommended that students take one class per each eight-week session as they navigate their studies and personal life. For those who would like to complete their degree in a faster amount of time, our accelerated MSN route allows 2 - 3 courses per session to be taken with increased flexibility in managing work-life-family responsibilities while completing your coursework.

## Master of Science in Nursing Admission Requirements

### How do I get started?

New students can enroll in the online MSN program every eight weeks, our next session starts Sept 04.

#### For your MSN nursing application, you should have:

- A degree in nursing at the bachelor's level or higher from an accredited institution
- A minimum undergraduate GPA of 3.0 on a 4.0 scale
- Current, active and unrestricted RN license in the U.S. or in a jurisdiction that is an associate member of the NCSEB

#### Can I transfer credits into the MSN program?

Chamberlain welcomes transfer students into our graduate nursing programs. General guidelines for the transfer of master's in nursing credits include:

- A maximum of six semester hours may be accepted towards your MSN degree
- Core coursework must have been completed within the past 7 years for transfer; specialty coursework with the past 5 years
- A grade of 'B' or higher is required for transfer credits
- For the NP specialty tracks, transfer credits will only be accepted for core courses

Our admissions team can get you started on a transcript evaluation so you'll know exactly what will transfer in before making your enrollment decision.

**You're more than just a GPA or an application**

If your CGPA falls below our requirements - in the range of 2.5 to 2.99 - you may still be considered for provisional acceptance into the online MSN Nursing Informatics program.
