Dear Casey Wachniak:

Re: Financial statement from Santosh Yoga for last fiscal year March 2022 – Oct 2023 YTT -200 hour

No. of students enrolled: 3

Amount paid per each student:  $3,200 \times 2 = 9,600$

This amount was paid by both students via check payment to Santosh Yoga prior to the start of last years' program.

This financial statement submitted as part of my application for school renewal are, to the best of my knowledge, true and correct.
