			Additional records may be provided by inserting new rows.				

NOTE: To insert new rows in the table, place the cell reference pointer in the last row (prior to entering data) and CLICK INSERT on the MENU BAR and then SELECT ROWS.

¹ The following definitions apply to the terms as used in the column headings (and on the renewal application): Completers – Students who completed their program and received their degree, diploma or certificate during the reporting year. Employed – Completers who found new employment in a training-related field, students who advanced with their current employer as a direct result of training provided by the school or students whose employer required completion of the program. **Only report data for individuals who are considered Wisconsin students [see Wis. Admin. Code s. SPS 401.01 (35)].**

² Enter the end date of the twelve month reporting period you will use when you submit your next renewal application. The reporting period as defined on the renewal application is the "most recently completed" (at the time you complete the renewal forms) twelve-month fiscal period on which the school operated, ending on a date no earlier than fifteen months [prior to the date of completing the renewal application].

³ If a completer is self-employed or is continuing their educational studies (at your school or another school), please use SE or CE, respectively.
