## INVEST IN YOUR FUTURE AT USAHS!

“ Having the MHA degree, along with experience in the field, automatically changes the salary conversation and positions you for jobs at a higher level. — Parnaz R., MHA '19

When you enroll in a graduate program at USAHS, you're investing in your future as a healthcare practitioner.

### Median Annual Salaries<sup>1</sup>

Physical therapists	Occupational therapists	Speech-language pathologists	Nurse practitioners	Health administrators
\$95,620	\$85,570	\$79,060	\$123,780	\$101,340

### High Job Growth

These five professions are expected to grow

**17-45%**

(depending on the field) between now and 2030.<sup>1</sup>

### Cohort Default Rate

**0.1%**

Among 2019 graduates (most recent data), only 0.1% of federal loan borrowers are not successfully paying back their student loans.<sup>2</sup>

### Financial Aid Help at USAHS

To help you explore your many financing options, our Financial Aid team members are here to help you in person on all five campuses. We're also available by video call, email, phone, and text, on weekdays from 8 a.m. to 8 p.m. Eastern. Contact us at (904) 423-2010 or contact [financialaid@usa.edu](mailto:financialaid@usa.edu).

<sup>1</sup>Bureau of Labor Statistics, Occupational Outlook Handbook, data current as of May 2021.

<sup>2</sup>National Center for Education Statistics, College Navigator, "University of St. Augustine for Health Sciences, Cohort Default Rates"

## SPEECH-LANGUAGE PATHOLOGY ASSISTANTS

Are you interested in expanding your scope of practice by becoming a Speech-Language Pathologist?

**Our online graduate program is accepting applications for Summer 2023!**

**5 Term program** that can be completed in 1 year, 8 months (20 months total)\*

- Online coursework. Weekly collaboration with peers and professors via online platforms
- Travel only 4 times to our Austin, TX or Dallas, TX campus locations for hands-on training/residency experiences
- Clinical practicum training via teletherapy clinic opportunities and various community settings

<p>Residents will become highly skilled practitioners with an increased ability to successfully treat patients with musculoskeletal conditions.</p> <p>Designed to help new clinicians advance their skills and knowledge base for the ABPTS OCS exam.</p> <p>Residents will learn evidence-based orthopaedic concepts, techniques, and how to apply those skills in the clinic.</p> <p>90% graduation rate* 100% OCS Board Pass rate**</p>	<p>Focused curriculum of clinical experiences designed to provide fellows-in-training with advanced expertise in the sub-specialty of Manual Therapy.</p> <p>Fellows-in-training participate in a mentored process of learning which advances clinical specialty skills.</p> <p>Fellowship graduates are trained for leadership positions, such as teaching orthopaedic manual therapy and undertaking clinical research.</p> <p>93% graduation rate* 100% of graduates have become AAOMPT Fellows**</p>
<p>* 10 year graduation rate (2010 - 2020) per USAHS internal data collection. ** based on USAHS graduates of the program who have taken the exam between 2010 - 2020.</p>	<p>* 10 year graduation rate (2010 - 2020) per USAHS internal data collection. ** based on all USAHS graduates of the program as of 2021.</p>

### Why USAHS?

#### Flexibility

- Pursue your Fellowship or Residency at any qualified site in the USA. No need to move or relocate!
- Most courses are available and completed online. Residents must attend 3 skills labs at our St. Augustine campus. Seminars offered for Fellows-in-training throughout the US.
- Multiple starts during the year: January, May or September. Adjustable clinical hours - start your clinical hours when it's convenient for you.

#### Comprehensive

Participants can also earn academic credit toward an FdD degree from USAHS.

#### Differentiated

Fellows-in-training and Residents participate in unique mentoring sessions and didactic work with distinguished faculty and experts.

Contact us at [residencyfellowship@usa.edu](mailto:residencyfellowship@usa.edu)

Program Requirement	residency	fellowship
Patient Care Hours	1,030 hours	850 hours

UNIVERSITY of  
ST. AUGUSTINE for  
HEALTH SCIENCES

CORAL GABLES, FL

**Renowned for excellence in rehabilitative sciences, we at University of St. Augustine for Health Sciences have been devoted solely to graduate health sciences education since 1979.**

We continually invent new ways to respond to the needs of today's health sciences graduate students through our blended learning models, cutting edge technology, collaboration, and community of expert faculty, we are positioned to support your career success.

We prepare students to be expert practitioners with master's and doctorate degrees in the following fields:

- OCCUPATIONAL THERAPY | PHYSICAL THERAPY | NURSING
- SPEECH-LANGUAGE PATHOLOGY | HEALTH SCIENCES
