Dog Obedience Instructor Training Program

Do you love dogs? Would you like to learn how to become a dog trainer? Animal Behavior College's Dog Trainer Program has certified more than 12,000 dog trainers (ABC DT) across North America since 1998. Our dog training certification program includes both real world training with a Mentor Trainer in your local area, who uses positive reinforcement dog training methods, as well as an online dog training course. This hybrid real world/home-study course, which includes LIMA (least invasive minimally aversive) compliant training techniques, ensures you'll receive a solid academic and functional foundation in dog training.
