All additional collection and legal fees will be added to the account.

REFUND POLICY

1. Refund Policy (Non-Veteran):

Blue Sky policy for the refund of tuition in the event that an enrolled student withdraws, is suspended or is dismissed from the program at any time prior to completion is as follows;

The official withdrawal date is the date of receipt of the student's withdrawal letter or two scheduled class weeks after the last class day attended by the student, whichever date is earlier.

Three Day Cancellation: A student who withdraws from the Program within three (3) business days after submitting the Enrollment Agreement will receive a full refund of tuition paid within 10 business days.

Pro Rata Refund: After the Three Day Cancellation period, any student who attends Blue Sky then withdraws or is dismissed on or before completing 60% of instruction may be entitled to a pro rata refund less withdrawal fees (\$50 in Semester I or \$400 in Semester II) and payment plan admin.fee of \$75 per semester. The pro rata refund is determined by the number of clock hours (excluding scheduled breaks) that will not be completed divided by the total number of clock hours in the program (excluding breaks), rounded down to the

next 10%. That percentage is applied to the total tuition charged the student for the current enrollment period, and results in the refund amount. Any student who completes 60% or more of the program is not eligible for a refund. Blue Sky shall issue refunds to the student within 30 days but no later than 40 days of the student's withdrawal date (not including those utilizing the 3 day cancellation). Policy provided by Wis. Admin Code s. SPS 408.05 (partial refund).

Efforts will be made to refund amounts for supplies unless the student consumed or used those items and they can't be used, sold, or returned by the school to the supplier.

Optional Courses: This policy does not apply to optional courses/seminars taken in addition to the requirements of the Program.

- 2. Refund Policy (Veterans): In the event a student approved by the US Department of Veterans Affairs (VA) for veterans' education benefits withdraws or is dismissed prior to completion, the Blue Sky School of Professional Massage and Therapeutic Bodywork follows the following policy to refund unused tuition. If an eligible student attends only a portion of the program, the amount charged will not exceed the exact prorated portion of the total tuition charge, which is the length of the completed portion divided by the total program length. Put another way, the refund for prepayments is determined by dividing the number of calendar days remaining in the program on the date of withdrawal or dismissal by the total number of calendar days in the enrollment period. The pro rata refund is the resulting percentage of the total tuition charged the student for the current enrollment period. School policy complies with CFR section 21.4255.
- 3. Student Grievance Policy: At Blue Sky we strive to make the student's journey a positive one, complaints or concerns will be addressed in a timely manner. If the complaint or concern is regarding the school, staff, policies or procedures, the student should complete the Complaint Discrimination Harassment Form (C.D.H.F), found near the student mailboxes, and forward it to the Administrative Office. A student may also contact the Administrative Office via phone, email, fax or mail. The Administrative Office will respond in writing within one week of receipt of grievances or forward the grievance to the Student Review Committee. The Student Review Committee has two weeks from receipt of a grievance to act on it.

If not satisfied with the resolution, the student may follow an appeals process listed below. Complaints concerning an Administrative Staff should be directed to the Director of Operations at the Grafton Administrative Office.

- **4. Part Time Students:** The part time program consists of a minimum of 4 semesters over a twenty-three month period. Students enroll as Part time 1 for the first 11.5 months, then Part time 2 for the next 11.5 months. An enrollment agreement is required for each of these sections. For changes in the curriculum, the student is responsible to fulfill any new requirements. These requirements may include, but are not limited to: additional book purchases, additional curriculum hours that may occur, and additional tuition. The student is required to attend orientation at the beginning of each year to receive any updated handbook, supplies, and information. Students who begin the program at a full time status, but switch to part time are responsible for all part time requirements, as stated above.
- 5. Cancellation of program: Blue Sky School of Professional Massage and Therapeutic Bodywork has the right to cancel or reduce the number of programs offered. If cancellation of a class is required, students will be notified at least 24 hours in advance. However, if it is due to inclement weather, shorter notices may occur. If cancellation of a class section or program is required, student will be advised at least one week before cancellation. Student will be given the choice of transferring to another section/program or withdrawing with a full refund (less the \$50 non-refundable interview fee).
- **6. In accordance** with Federal and State Regulations, Blue Sky does not discriminate against any member of staff, faculty, or student body with regards to race, color, religion, gender, age, national origin, disability, sexual orientation, or other as protected by law or provides each with the same rights, privileges, programs and activities generally accorded or made available. The school does not discriminate on the basis of race, color, religion, gender, age, national origin, disability, sexual orientation, or other as protected by law in the administration of education policies, admission policies, school administered programs, or employment policies. Blue Sky does not tolerate any form of sexual harassment by its staff, faculty, students, or public.
