Owner, School Director and Lead Teacher:
Pamela Josifek ERYT200, RYT500, YACEP

Pam Josifek has been teaching group fitness classes including yoga, core, cardio, and strength training for over 19 years. Pam discovered yoga as a key part of her wellness routine as a means to relax and increase her flexibility. As she experimented with different styles of Yoga, she initially fell in love with the flowing movements of hot power yoga. She was amazed at how quickly her muscles loosened up and how meditative it was to move from pose to pose during practice. After years of practicing and teaching yoga, Pam has found that her practice has continued to evolve into more of a restorative and slow flow practice that focuses on longevity and building a personal practice that can be sustained for years to come.

Pam is inspired to help people gain physical strength and endurance while finding the emotional balance in their life. She understands through years of career and personal challenges how important it is to find that balance and loves to help others live a strong, healthy, and fit life.

Pam's favorite classes to teach are a physically challenging, yet achievable Slow Vinyasa Flow for all levels and a relaxing, meditative Restorative Yoga session that connects mind, body, and spirit.

Program Description

The Green Frog Yoga Teacher Training Program meets the minimum standards described by Yoga Alliance to become a Registered Yoga Teacher (RYT) at the 200-hour level. Yoga Alliance requires a minimum of 15% of the hours to be contact/synchronous (classroom/live Zoom) hours (30 hours for a 200-hour program). The Green Frog Yoga Teacher Training Program consists of 70 contact/synchronous hours and 130 non-contact hours of homework, online work, and self-study.

A certificate of completion is awarded upon satisfactory completion of all contact/synchronous and non-contact hours. Contact hours are earned through regular attendance and non contact hours are earned by satisfactory completion of all required written or online assignments, homework and journaling, and passing the final in-person practicums.

The school's curriculum follows the Yoga Alliance guidelines and is a Registered School (RYS) with Yoga Alliance at the 200 hour level. Upon completion of the program students will receive a Certificate of Completion and can apply for registration with Yoga Alliance as a Registered Yoga Teacher at the 200-hour level (RYT 200).

Every effort will be made to ensure the accuracy of information contained in this document. Class topics for specific dates and times, however, may be changed to accommodate teacher scheduling.

How to Apply

To apply to the program, please submit the online application document and schedule a personal consultation with the lead trainer or connect via email to Pam at pam@greenfroggyoga.com. Please understand that application to the program does not guarantee acceptance. The interview is an ideal opportunity to ask any questions about the program. You will be notified of your acceptance into the program via email once your interview is completed.

On or before the first day of class, applicants must sign the Agreement & Liability Release Form, the Code of Ethics, and the Catalog Release Form, and pay their first deposit or make their full payment to ensure their spot and status as a student of the program.

Advanced Standing

The school does not offer advanced standing for any previous training or course work.

Non-Discrimination Policy

The Green Frog Yoga Teacher Training Program does not discriminate on the basis of age, gender, marital status, national or ethnic origin, sexual orientation, color, race or religion.

Housing

Green Frog Yoga does not provide housing. If you expect to require housing, names and accommodation location options will be provided upon request.

Employment Assistance Services

Green Frog Yoga does not offer employment assistance services. We will offer suggestions and discuss possible career and job opportunities within the field of teaching yoga, but we do not offer career counseling or job placement. This program makes no guarantee of employment. For many, teaching yoga is a part-time endeavor and a few may pursue it as a full-time job. And for some, participating in a yoga teacher training is about deepening their knowledge of yoga as a discipline without having interest in teaching.

Student Code of Conduct

Ethics are at the core of the yogic lifestyle. This topic is taken very seriously at Green Frog Yoga and within the Green Frog Yoga Teacher Training Program. The Code of Ethics outlines our expectations for student conduct. Please review it and be familiar with its contents. During our program, we will discuss ethics in depth.

Students are expected to follow all school rules, policies and ethical codes as outlined in this catalog and behave as mature adults. Any student whose conduct is disruptive may be terminated from the program at the discretion of the Green Frog Yoga administration. Disruptive behaviors include, but are not limited to: excessive tardiness, failure to pay fees when due, harassing other students, abusive language, breach of confidentiality, possession of or being under the influence of alcohol or drugs during school sessions, destruction of studio or school property, theft, any behavior creating a safety concern, any conduct that is unsatisfactory to Green Frog Yoga, its teachers, desk staff and students, and any act aiding, betting, or inciting others to commit any act that would detract from the normal operations of Green Frog Yoga.

Attendance

In-Person/Hybrid Program:

Attendance at all in-person or zoom sessions is required. If you anticipate missing class sessions, please discuss this during your interview. Formal attendance will be conducted for each class and attendance is recorded in students' permanent records. Please arrive 10-15 minutes early to adequately prepare for the class.

If a student does miss a class, they must meet with the Lead Teacher to develop and agree on a plan to learn the missed content and fulfill the required hours. It is to the student's benefit that all missed material is made up prior to the next scheduled meeting. Yoga asana time missed may be made up by attending approved classes. Lectures and other classes that are unique to the teacher training may be made up through individual private instruction with the Lead Teacher. Make up instruction resulting from absences may be charged at \$100 per hour.

If a student misses more than one full week of training or a training weekend, and the hours cannot be made up before the end of the program, the student may be dismissed from the program at the discretion of the Lead Teacher. A meeting between the student and the Lead Teacher will be set up to determine if the student is able to make up the missed hours or if the student will be dismissed from the program.

Completion of all online Modules for the Hybrid program and any one-on-one meetings with the Lead Teacher are required. This includes watching all videos, completing all homework, quizzes, and a final practicum. Online Zoom classes may be recorded and the students are expected to complete the class on their own time if they are unable to attend the class live. Completion of classes will be tracked.

Tardiness

Tardiness and leaving class early is subtracted from the total time of the program and counts against the minimum-required attendance of synchronous hours as required by Yoga Alliance. This class time must be made up, see "Attendance" for details on making up missed hours of class time.

Leaves of Absence

Leaves of absence from the Teacher Training Program are not offered. If a student should have to discontinue the training, and should wish to continue the training at a later date, they would have to begin the program again at that time. The refund policy will apply to unused tuition.

Make-Up Hours

Make-up instruction resulting from absences may be charged at \$100 per hour. See "Attendance" for requirements for make-up hours, should it be necessary.

Absence Records

Completion rate will be tracked in the online course program and/or through keeping attendance for each weekend session.

- Student has signed and turned in the Agreement & Liability Release Form, the Code of Ethics, and the Catalog Release Form.

If the student does not progress according to the plan, termination from the program will result and the refund policy will be followed for any remaining tuition.

Students who are not fulfilling the Student Conduct codes (see “Student Conduct”) will receive a written warning and will be placed on probation for the length of the program. In recognition of the student-teacher relationship, the trust placed on me by my yoga students, and in order to provide an environment which facilitates the well-being of my yoga students, I agree to:

- Offer complete respect and show only the highest regard and sensitivity for my students' personal beliefs and values.
- Avoid any action that will conflict with the highest interest of my students.
- Treat all communications from students with professionalism.
- Avoid discriminating against any student and offer my services of teaching yoga to all persons, regardless of sex, race, color, ancestry, age, marital status, political affiliation, or sexual orientation.
- Avoid taking unfair advantage of students financially, sexually, romantically or otherwise.
- Avoid exploiting the trust and dependency within the unique student-teacher relationship.
- Avoid any dual relationships with students (business, close personal, or sexual) that could compromise the integrity of our teaching or the well-being of the student.

- Refrain from initiating a romantic or sexual relationship with a current student, even if invited by the student. All forms of sexual behavior or harassment with students are unethical, even if the student consents to such involvement.
- Use caution if I choose to enter into a personal relationship with a former student. (The student-teacher relationship involves a power imbalance, which can remain even if the student is no longer studying with the teacher.)
- First discuss openly and honestly with my teacher or the Green Frog Yoga Teacher Training staff if any situation or circumstance arises in regard to a personal relationship with a student that is out of the ordinary and the appropriate course of action is unclear.
- Fully acknowledge that this ethical protocol is intended to support the best interests of my students and the Yoga profession.
