

# Help Others by Helping Yourself at Milwaukee Career College

Prepare to work in a supervised healthcare setting as a medical assistant! You can learn the clinical, technical and administrative skills needed to pursue a career in a medical office, clinic or hospital setting. Our program features valuable hands-on learning experiences that you can apply immediately when you begin working as part of a medical practice team.

## YOU CAN LEARN HOW TO:

- Administer medications
- Document medical histories
- Draw blood
- Perform clinical lab procedures
- Prepare patients for exams
- Record vital signs
