OTTAWABILITY

Is moving you from classroom to career
faster and better prepared for success.

Ottawability is **Ottawa U.**

TRANSFERABILITY = easy for you to transfer credits.

Do you have college credits that you worked hard to earn and hope to transfer? The majority of our online students have transferred from another school. That's why we accept up to 80 hours of transfer credits towards your bachelor's degree! At Ottawa University, transfer credits completed successfully (passing grade of C or higher) at regionally accredited institutions of higher education are accepted.

AFFORDABILITY = save significantly on tuition rates.

Ottawa University is proud to partner with many local community and technical colleges in the states of Arizona, Illinois, Indiana, Iowa, Kansas, Kentucky, Missouri, Texas, and Wisconsin. Through OU's Transfer Advantage program, associate degree graduates from partner institutions are eligible for a special tuition rate to earn an Ottawa bachelor's degree. Transfer students can save up to 20% on tuition.

FAST-TRACK-ABILITY = moves you from classroom to career faster.

Ottawa University conveniently offers courses to our students in 8-week accelerated terms, as opposed to traditional 16-week semesters. This accelerated term schedule allows our students to complete multiple courses in an 8-week term. You can complete your degree within the shortest time possible and immediately apply what you learn in the classroom to your work.

OTTAWABILITY

ONLINE LEARNING CAPABILITY = 100% Online. 100% On Your Schedule. 100% Accredited.

Ottawa University online degree programs are designed to be do-able, even with your busy schedule, and give you the skills you need to get ahead in your career and your life. That's why Ottawa University online program courses are 100% online with no outside study groups required . . . and 100% accredited by The Higher Learning Commission.

RESPECTABILITY = educating students since 1865.

Throughout our 150+ years, Ottawa University has stayed relevant with the times and continually provides innovative, accredited degree programs to meet the diverse needs of our students.
