### Audio Engineering & Music Production

The screenshot shows the website for the Recording Connection Audio Engineering & Music Production Program. The browser address bar displays `recordingconnection.com/programs/audio-engineering/`. The website has a dark blue header with the Recording Connection logo (a red 'RC' and the text 'RECORDING CONNECTION® RECORDING RADIO FILM CONNECTION & CASA SCHOOLS') on the left. The navigation menu includes 'PROGRAMS', 'STUDENTS', 'LOCATIONS', 'ABOUT US', and 'RESOURCES', each with a dropdown arrow. A prominent orange 'GET STARTED' button is on the right. The main content area features a background image of a woman in a recording studio. The title 'AUDIO ENGINEERING & MUSIC PRODUCTION PROGRAM' is in large white text. Below it, the text reads: 'Learn Audio Engineering from the Pros. Master the Art of Audio Engineering with our Audio Engineering & Music Production Program'. A paragraph follows: 'The most immersive and hands-on approach to learning the art of Audio Engineering. Work directly with a professional audio engineer in a real-world recording studio. The Recording Connection Audio Engineering & Music Production Program has you working directly with music industry professionals.' A white 'GET STARTED' button is centered below the text. At the bottom, a small note states: 'Financial assistance is available through Meritize.'

### Advanced Audio Engineering & Music Production

The screenshot shows the website for the Recording Connection Advanced Music Production & Audio Engineering Program. The browser address bar displays `recordingconnection.com/programs/masters-program/`. The website has a dark blue header with the Recording Connection logo (a red 'RC' and the text 'RECORDING CONNECTION® RECORDING RADIO FILM CONNECTION & CASA SCHOOLS') on the left. The navigation menu includes 'PROGRAMS', 'STUDENTS', 'LOCATIONS', 'ABOUT US', and 'RESOURCES', each with a dropdown arrow. A prominent orange 'GET STARTED' button is on the right. The main content area features a background image of two people working at a large mixing console. The title 'ADVANCED MUSIC PRODUCTION & AUDIO ENGINEERING PROGRAM' is in large white text. Below it, the text reads: 'Build On Your Experience And Forge A Career In Music'. A paragraph follows: 'Taking what you've learned in other programs, we'll show you how to professionally mix, master, and protect the music you make. The Recording Connection Advanced Music Production and Audio Engineering Program helps you take your knowledge and music career to the next level.' A white 'GET STARTED' button is centered below the text. At the bottom, a small note states: 'Financial assistance is available through Meritize.'

## Ableton for Music Producers and Audio Engineers

The screenshot shows the website for the 'Ableton for Music Producers and Audio Engineers' program. The header features the Recording Connection logo and navigation links: PROGRAMS, STUDENTS, LOCATIONS, ABOUT US, and RESOURCES. A prominent orange 'GET STARTED' button is in the top right. The main banner has a background image of two people working on a large mixing console. The title 'ABLETON FOR MUSIC PRODUCERS AND AUDIO ENGINEERS' is centered in large white text. Below the title, a paragraph states: 'Work Directly with Music Industry Pros and get hands-on Ableton Live training with Private Instruction from professional EDM producers and DJs.' A white 'GET STARTED' button is centered below this text. At the bottom of the banner, it says 'Financial assistance is available through Meritize.'

## Ableton for Music Creators and Artists

The screenshot shows the website for the 'Ableton for Music Creators and Artists' program. The header is identical to the previous page, with the Recording Connection logo and navigation links. The main banner features a background image of a person working at a computer in a studio. The title 'ABLETON FOR MUSIC CREATORS AND ARTISTS' is centered in large white text. Below the title, a paragraph states: 'Work With Professional Ableton Producers and Learn Ableton Live As An Artist & Producer'. This is followed by another paragraph: 'The Ableton Artist Program puts you in a professional music studio working directly with pro Ableton Music Producers. Instead of competing with others for lab time, you'll be working with the gear the pros use from the start, all of it from inside a working studio.' A white 'GET STARTED' button is centered below this text. At the bottom of the banner, it says 'Financial assistance is available through Meritize.'

## Hip Hop & Beat Making

The screenshot shows the Recording Connection website for the Hip Hop & Beat Making program. The browser address bar displays `recordingconnection.com/programs/hip-hop-music-school/`. The top navigation bar includes the Recording Connection logo, a list of menu items (PROGRAMS, STUDENTS, LOCATIONS, ABOUT US, RESOURCES), a prominent orange "GET STARTED" button, and a hamburger menu icon. The main content area features a large, dark background image of a person wearing headphones and working on a DJ setup. The title "HIP HOP & BEAT MAKING" is displayed in large, white, bold letters. Below the title, the text reads: "Giving You the Skills to Pursue a Career in Hip Hop. Learn the physics of sound, work with audio digital workstations like Ableton and Logic Pro, and develop a style that's true to you. Work directly with Hip-Hop Producers, Beatmaking Professionals, and build industry connections." A white "GET STARTED" button with a play icon is centered below the text. At the bottom of the main content area, a small line of text states: "Financial assistance is available through Meritize."

## Live DJ Workshop

The screenshot shows the Recording Connection website for the Live DJ Workshop program. The browser address bar displays `recordingconnection.com/programs/dj-workshop/`. The top navigation bar is identical to the previous page, featuring the Recording Connection logo, menu items, an orange "GET STARTED" button, and a hamburger menu icon. The main content area has a dark background image of a DJ performing at a turntable. The title "LIVE DJ WORKSHOP" is displayed in large, white, bold letters. Below the title, the text reads: "Learn What It Takes To Become A Pro DJ & Producer In Our Live DJ Workshop. If you want to launch your career as a DJ, choose a Live DJ workshop that will help you connect to the music industry. Learn what it takes to be a professional DJ by working directly with music industry professionals." A white "GET STARTED" button with a play icon is centered below the text. At the bottom of the main content area, a small line of text states: "Financial assistance is available through Meritize."

## Live Sound

The screenshot shows the website for the Recording Connection Live Sound Program. The browser address bar displays `recordingconnection.com/programs/live-sound-engineer-school/`. The top navigation bar is dark blue with the Recording Connection logo on the left and links for PROGRAMS, STUDENTS, LOCATIONS, ABOUT US, and RESOURCES on the right. A hamburger menu icon is also present. The main content area features a background image of a band performing in a studio. The title "LIVE SOUND PROGRAM" is prominently displayed in white. Below it, the text reads: "Learn Live Sound Engineering Directly From The Pros. Work directly with music industry professionals in the Recording Connection Live Sound Engineering Program and build your foundation for a career in live sound engineering. Work inside a professional studio and get first-hand, real-world industry knowledge." A white "GET STARTED" button with a play icon is centered below the text. <https://www.recordingconnection.com> I've been a musician almost my entire life. When I was nine years old, I was gifted my first guitar and have been songwriting ever since. Music has always been a core aspect of my life. In high school, I was a percussionist and I even convinced my school to start a weekly open mic event. I discovered The Recording Connection through my mentor, Kaj Falch-Nielsen. Upon entering the program, my ...

### About us

Recording Connection, Radio Connection, Film Connection, and CASA Schools (RRFC) are schools designed to train students to become recording engineers, music and film producers, and more. RRFC is the innovator of the Mentor/Extern method of education and offers students the opportunities to learn in the cities in which they live from professionals in the radio, film, audio and recording industries as well as the restaurant trade.

RRFC has successfully mentored, trained and placed thousands of graduates in their dream careers all over the world. Extern with a professional in the business, learn one-on-one at an established film, music or audio production company, or inside a restaurant kitchen - all for less money and with better post-graduate success than traditional film, broadcast, recording and culinary schools can offer.
