

M.A. in EDUCATION

Educate-WI Specialization

Saint Mary's
University
SCHOOL of EDUCATION

If you're a current or aspiring teacher or administrator seeking licensure in Wisconsin, consider enrolling in our M.A. in Education Custom Specialization program in collaboration with Educate-WI. Credits earned through the Educate-WI licensure pathway can be applied to the completion of Saint Mary's University of Minnesota's MAED program.

- **Gain the confidence and specific skill set to** prepare for WI state licensure in three areas: Project Teaching, 10 Sped, and WiscAd.
- **Save time and money** by applying your eduCATE-WI credits toward our 30-credit M.A. in Education program, including 12 credits in 10 Sped and nine in the Wisconsin Administrator and Project Teaching licensure programs.
- **Pursue your master's degree** by working with our program director on a personalized master's degree completion plan tailored to fit your busy life.
