4. USAHS will typically only postpone the scheduled starting date or class schedules due to unforeseen circumstances, including, but not limited to weather-related events, natural disasters, infectious disease outbreaks, or other events that may threaten the safety and security of the campus community. Campus operations would begin (or resume) once it is safe to do so and would be communicated to all students through e-mail. If the start of the term were delayed, the add/drop period would be adjusted to the new start date and refunds would be issued in accordance with the refund policy, located in the University Catalog/Handbook.

Some or all instruction and/or other academic activities may be delivered fully online due to exceptional circumstances that may threaten the safety and security of the campus community. Tuition and mandatory fees have been set regardless of the method of instruction and will not be refunded in the event instruction and/or other academic activities occurs fully online for any part of the Academic Year.

- \* Based on 2024-2025 Gross tuition price does not include discounts or scholarships (outlined in separate communications, if applicable). Items subject to cost change. Tuition and fees are subject to change each academic year (September through August). Additional expenses are subject to cost change. Estimates provided for budgetary purposes and are not a final determination of financial aid awards or individualized price for attendance.
- \*\*This includes fees associated with technology and software, library services, and other student services such as orientation, advising, writing center, and career services.
- \*\*\*Students in Iowa, Maryland, Missouri, and Wisconsin are subject to the refund policies specific to their state; please refer to separate refund policy document enclosed.
- \*\*\*\*Graduation fee incurred is payable in the graduation term and is assessed regardless of attendance at commencement and is included in the Total Program Direct Expenses.
- \*\*\*\*\*There may be additional associated costs, including, but not limited to travel and boarding costs for weekend classes and/or fieldwork, and these costs may vary. The associated costs for participation in these experiences are solely the responsibility of the student. You further agree that the university is not under obligation to pay compensation and you assume all responsibility and risk with respect to your participation.
- \*\*\*\*\*\*Figures are based on the potential expenses a typical student may incur for the identified campus and program. Indirect discretionary personal expenses are provided for budgeting purposes and are only estimates. Costs vary based on whether students live off-campus or remain in their personal residence.
- \*\*\*\*\*\*Actual loan fees will be calculated on an individual basis depending on the amount of loans borrowed.

06-2024

6. **Tuition Discounts/Scholarships:** Gross tuition price in the table above does not include discounts. Scholarships or grants offered at the individual student level. Students should refer to their admission letter and/or separate communications from USAHS for any potential discounts, scholarships or grants not otherwise reflected above. Any discounts provided are based on the rates and discount at the time of initial enrollment and are contingent on continuous enrollment in the program.

- 7. **Transfer Credit and Program Cost/Length:** The table above does not take into consideration any previously earned institutional credit or approved transfer credit that may reduce an individual student's estimated program cost of attendance or time to degree completion.
- 8. **Returning Students:** Students returning to a program after a break in enrollment other than an approved leave of absence will be subject to the terms of the new enrollment agreement and any discounts in place, if applicable, at the time of signing the new enrollment agreement.
- 9. Methods of payment: A nonrefundable tuition deposit of \$100 is due at the time the signed enrollment agreement is submitted. Tuition and fees for the first trimester are due on the established registration date per the academic calendar for the applicable trimester. Thereafter, tuition and fees are paid on a trimester basis on the established registration dates per the academic calendar. Tuition and fees are payable by check or credit card. Financial Assistance Information Although our financial aid counselors are campusbased, they are available to assist you at any point in the process. For information on financial assistance, please contact the USAHS Financial Aid Department at the St. Augustine, Florida Campus: 800-241-1027 or contactfinancialaid@usa.edu.
- 10. Credit from the University of St. Augustine for Health Sciences may or may not be transferable to other institutions. The option to accept credit by a graduate institution lies with that institution.
- 11. USAHS does not guarantee employment. Completion of the degree program is not a guarantee of employment. Career Services provides services to students online via the Optimal Resume and Handshake platforms, through on-campus career fairs twice yearly, and via online career coaching. Access Career Services by logging into the MyUSA portal, Student Services tab, Career Services link. In Optimal Resume, students can create a resume and cover letter and have them reviewed by a career coach, record a practice interview, create a career portfolio, and view informational videos on current career topics. In Handshake, students can create a career profile with a resume, post it for employers to view, and apply to job postings. Each semester, new students will be invited to join Handshake. Career fairs are held twice a year on each campus. Student referrals to prospective employers are not based on direct contact with the employer regarding current job openings.
- 12. For information on USAHS' Formal Complaint Process, please visit www.usa.edu/complaints/.
- 13. Clinical education placement is based on availability of sites under contract. Students should plan on the need to travel or relocate for clinical experiences. Further, students will be asked to complete an acknowledgment with additional guidelines prior to commencing their clinical experience. Please see the Clinical Affiliation Notice and Acknowledgment (which is subject to change) below.
- 14. For information on licensure as an Occupational Therapist in Florida, visit the Florida Board of Occupational Therapy website at <a href="https://floridasoccupationaltherapy.gov/">https://floridasoccupationaltherapy.gov/</a>. Please visit <a href="https://www.usa.edu/college-of-rehabilitative-sciences/doctor-occupational-therapy/#accreditation">https://www.usa.edu/college-of-rehabilitative-sciences/doctor-occupational-therapy/#accreditation</a> (OTD Accreditation and State Approvals/Post-Graduate Licensure) for a listing of states USAHS accepts applications from for this program; prospective students residing in states where the program does not meet state licensure requirements and/or where the institution does not have state authorization are not accepted. Students are required to notify the University if they relocate to a new state, including updating their address of record in the MyUSA portal. Students who move to a state where USAHS does not have approvals or where the program does not meet state licensure requirements may be dismissed from the program.

#### **Campus Participation Expectations**

By entering onto a physical campus of USAHS or participating in USAHS activities I acknowledge that I may be exposed to risks (including risk of exposure to COVID-19) that may result in my illness or personal injury. I understand that USAHS cannot eliminate these risks and I accept all risks to my health that may result.

#### **Refund Policies**

#### **TUITION REFUND POLICY**

#### **Cancellation and Tuition Refund Policy**

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's Institutional Refund Policy.

#### **Deposit Refund Policy**

When notification of withdrawal from the University is submitted, the University retains the non-refundable \$100 deposit in compliance with applicable state regulations according to the applicant's state of residence.

#### **Notice of Cancellation**

Students must notify the University in writing of cancellation. All monies paid by an applicant other than the non-refundable deposit (if required), books, supplies, materials and kits that are not returnable from use are refunded if cancellation occurs within the first week (seven-days) of instruction.

#### **Tuition Refund Policy**

USAHS has an established add/drop period that is the first week (seven days) of each trimester. All tuition and fees charged to the student's account (other than the non-refundable deposit, if required) are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Withdrawing from a Program-Refund of Tuition after the Start of Trimester Courses: For students who withdraw from ALL classes during day 1-7 of the trimester (add/drop period), 100% of tuition (minus the non-refundable deposit, if required) will be refunded to the student and/or to the loan provider. For students who withdraw from ALL classes after day 7 but before 60% of the term has elapsed, USAHS calculates the refund using a percentage formula and return the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

**Withdrawing from a Course:** Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from

- **Step 1:** Determine the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If over 60%, then no refund is due.
- **Step 2:** Determine the amount of tuition earned by school by multiplying the total tuition/fee charged by the percentage of time enrolled.
- **Step 3:** Compare the amount of tuition earned by school to the amount received by the school. If more funds were received by the school than tuition earned by school, determine the amount of funds that must be returned by subtracting the tuition earned by the school amount from the amount received by the school.
- **Step 4:** Distribute this calculated amount as a refund to the student or to the student loan provider.

Refunds are made within 30 days of the date the University determines that the student has withdrawn.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from ALL classes on or before 60% of the term having elapsed, a portion of your tuition will be returned to your lender. Please see the University's R2T4 policy for further information.

#### IMPORTANT NOTICE FOR VA AND OTHER GOVERNMENT EMPLOYEES

## USAHS STUDENTS WHO ARE EMPLOYEES OF VETERANS AFFAIRS OR OTHER GOVERNMENTAL ENTITIES DISCLOSURE ON DISCOUNTS AND OTHER BENEFITS

USAHS may, at times, offer discounted tuition, scholarships, or other benefits to eligible students or prospective students enrolling in USAHS. Pursuant to the standards of the Executive Branch, it is your responsibility to consult your employer prior to receiving such a discount, scholarship, or other benefit to confirm with your employer to ensure you are in compliance with any policies or procedures required by an employee in your position. Further, Veterans Affairs ("VA") employees are prohibited from being involved in any recommendations, decisions, approvals or disapprovals that could affect USAHS.

VA employees who administer VBA educational benefits are required to obtain a waiver from their employer in order to take classes from a For-Profit Educational Institution ("FPEI"), such as USAHS. For all other VA employees, a waiver is required if they own an interest in, receive a salary or wage from, or receive gifts from an FPEI. As such, you are advised to consult with your employer to obtain any required approvals prior to enrolling in the University or accepting any discounts, scholarships, or other benefits. Failure to receive the required governmental approvals prior to acceptance could result in corrective action by your employer and/or other penalties, and it could impact your ability to remain enrolled in the University. USAHS makes no representation or guarantee that a student's or prospective student's enrollment or acceptance of a discount, scholarship, or other benefit offered by the University is in compliance with standards of the Executive Branch.

#### \*\*IMPORTANT\*\*

#### **Admissions Policies**

#### Degree Requirements:

You must successfully complete your baccalaureate/master's degree requirements <u>prior to the first day of classes</u>. You must also provide <u>evidence</u> to the Admissions Office that indicates degree completion. This can be done by requesting a letter from your Registrar's Office stating you have completed all your degree requirements. You have until the end of the fourth week of the trimester to provide the <u>official transcripts</u> to the Admissions Office that document successful completion of your degree. You will not be eligible for any financial aid disbursements until you meet this requirement. All pending official admissions documents (prerequisite courses and final official transcripts with degree conferral) should be submitted within thirty (30) days after the start of term. If you do not supply a final transcript and official pending documents by the due date noted above, you will be at risk of having your acceptance from the University rescinded. University tuition refund policies will apply in such cases.

#### Misrepresentation:

Misrepresentation includes presenting information known as false and with the intent of obtaining employment or admission to an educational program at USAHS. Statements made and documents supplied by USAHS applicants and students must be complete and accurate. The University will not tolerate any misrepresentation by a student or applicant of past or current academic programs, degrees, professional accomplishments, health records, or health screening information. If unexplained discrepancies appear between statements or documents provided to USAHS and information obtained otherwise, except in the case of misspellings and other such inadvertent errors, applicants may be rejected for admission and enrolled students may be dismissed.

Page 8 of 11

1 University Blvd. St. Augustine FL 32086 800-241-1027 www.usa.edu

#### Criminal Background Check, Drug Screen and Fingerprint Report

In the interest of ensuring that University students will be eligible to participate in required clinical and field experiences, accepted students are required to complete a criminal background check, 12-panel drug screen, and fingerprint report conducted by a third-party vendor. When an applicant is accepted to a program, the University provides a list of approved testing providers that students must use, and all checks and screens are completed at the student's expense. Criminal background, drug screen, and fingerprint results are requirements for admission and must be received by the first day of the trimester. Students who do not submit these documents by the due date may have their admission rescinded. An extension of up to the 30<sup>th</sup> day of the first trimester may be granted for late admits, excluding students in the Speech-Language Pathology program. Note that federal financial aid cannot be disbursed until the background check, drug screen, and fingerprint results have been received and cleared by the University. Students should plan for a delay in the receipt of financial aid funds in their first trimester if these requirements are not met prior to the start of the trimester and an extension was granted.

**Clinical Practicum**: Completion of clinical practicum experiences is a requirement for graduation from the University of St. Augustine for Health Sciences. In general, the majority of practicum sites (and employers) require that a student/applicant's criminal background check is clear of any convictions and that the student/applicant provide a negative drug screen. Students also are required to obtain updated checks and testing at the student's expense if required by the clinical site prior to participating in any of the required clinical practicum courses in the curricula.

**Criminal Background Check:** A complete criminal background check includes a county criminal search, nationwide sex offender search, Office of Inspection General (OIG) records, and US General Services Administration (GSA) records.

**Drug Screen:** A 12-panel drug screen includes testing for Amphetamines, Barbiturates, Benzodiazepines, THC (marijuana), Cocaine, Methadone, Opiates, Methaqualone, Phencyclidine, Propoxyphene, MDMA, and Oxycodone.

Please note: Although laws regarding recreational drug use vary state by state, USAHS utilizes federal law as its benchmark for its policy against drug abuse. Pursuant to federal requirements, USAHS maintains a drug-free environment at all campus locations. A positive drug screen or one not completed when scheduled may result in rescission of admission or dismissal from the University. Applicants who test positive are not allowed a retest or alternative form of testing unless the Medical Review Officer of the testing facility recommends it.

**Fingerprint Report:** Fingerprint reports must provide verification of current fingerprint clearance documentation in accordance with the fingerprint policies of the state in which they reside. A background check that includes any **felony conviction** results in rescission of admission or dismissal from the University. Certain **misdemeanor convictions**, **pending charges**, **and/or probationary status**, including but not limited to those involving drugs, theft, violence, or crimes against a person, may also result in rescission of admission or dismissal from the University.

Tuition and fees other than the initial deposit are fully refunded if admission is rescinded or the student is dismissed from the program due to an initial adverse report on the background check, drug screen, or fingerprint report. Students who have their admission rescinded or are dismissed from the program due to a **positive drug screen** may reapply for the next available term after six months unless the decision is deemed final with no opportunity to reapply.

Current and valid fingerprint clearance must be on file throughout the duration of the program. Failure to maintain **current and valid fingerprint clearance** may lead to immediate termination from the program. Upon acceptance and throughout enrollment at USAHS, the student has a continued obligation to report any **criminal arrests or convictions** to their program director and the head of the Clinical Services department within 72 hours of the occurrence. Any **felony conviction** or **positive drug screen** while enrolled as a student at USAHS results in dismissal from the program. Students who receive **misdemeanor convictions or have pending charges** while enrolled at the University will have their records reviewed to determine whether there are issues with potential clinical placement and employability based on the individual's record.

Further, any arrest/conviction record may affect eligibility for licensure. Students with misdemeanor convictions are in no way guaranteed licensure or employment, as licensure is at the sole discretion of the State Boards and external healthcare employers. It is the responsibility of each student to understand the licensure requirements for the state(s) in which he or she intends to seek licensure to practice.

#### Clinical Affiliation Notice and Acknowledgment

Student health and safety is a priority to the University of St. Augustine for Health Sciences. This worldwide situation has presented additional risks and impact to our everyday lives and educational environment. To continue to ensure the safety of our students, please see the guidance and acknowledgments below. Please see the information below and contact the University should you encounter a situation in which you feel your health or safety is at risk.

#### Students should:

- check travel and self-quarantine restrictions before travelling to their clinical placements.
- follow all safety protocols and directives from CDC and universal precaution standards, including the use of any required safety equipment.

#### Students should NOT:

participate in clinical rotation if the site is closed

#### Student clinicals, field placements, and internships will be canceled:

- at any site that is treating a patient with an infectious illness, including but not limited to COVID-19, where appropriate environmental controls cannot be implemented per CDC guidelines.
- in the event the levels of supervision as required by state practice acts decrease at a site, the student will communicate
  with his or her clinical, field placement, or internship instructor before attending any scheduled experiences to check if
  cancellation is warranted. Students will immediately communicate to their clinical faculty and their site's clinical, field
  placement, or internship coordinator any safety concerns and stop participating in the experience until the issue is
  resolved.

#### STUDENT ACKNOWLEDGMENTS:

<u>Participation Acknowledgement</u>. I am participating in a clinical rotation ("the Experience") as part of my program at the University of St. Augustine for Health Sciences ("USAHS"). I understand that clinical, field placement, internship sites and/or USAHS retain the right to cancel student participation at any time to protect the safety of students, staff, and patients.

Rules. Procedures and Requirements. I agree to abide by all rules, procedures and requirements of my Clinical Placement site and any federal guidelines for my health and safety. I further agree to abide by USAHS policies including but not limited to the Student Catalog/Handbook and the Clinical Education Handbook. I will use good judgment and conduct myself at all times in a manner that is appropriate to this Experience and in alignment with the values of USAHS.

Assumption of Risks. I acknowledge and understand that there may be inherent risks to my health or wellbeing as a result of my participation in this Experience, which USAHS cannot anticipate, change or improve. Such risks include but are not limited to any risk inherent in this type of Experience such as exposure to sickness or disease, allergic reaction, accidents or personal injury. I recognize that these risks may result in inconvenience, loss, injury, or damage to me, including personal injury, up to and including my death, or damage or loss of my personal property.

<u>Medical Insurance Coverage</u>. I acknowledge that I have medical insurance coverage that will remain active during the entire clinical experience as required by USAHS. I acknowledge that if I do not have the required insurance coverage I cannot participate in the clinical experience. I acknowledge that neither USAHS nor the Clinical Placement site is responsible for any costs associated with any health treatment.

Waiver of Liability and Release. I understand and agree that USAHS does not assume responsibility or liability for and has not made, does not make, and cannot make any representations whatsoever regarding my personal health while participating in this Experience. I release USAHS and my Clinical Placement site and its affiliated entities, officers, directors and employees ("Releasees") from all claims, including negligence, that may arise from my participation in this Experience, whether foreseen or unforeseen, known or unknown, and I assume full responsibility for any injuries, damages, or losses that may arise out of my participation in this Experience.

## Wisconsin Tuition Refund Policy for MOT, OTD, DPT Programs

#### **Wisconsin Students Notice of Cancellation**

Students residing in Wisconsin have the right to cancel enrollment for a program until midnight of the third business day after all parties have signed the enrollment agreement. USAHS provides the Wisconsin Notice of Cancellation Form with the enrollment agreement. All students residing in Wisconsin who utilize the cancellation privilege will receive a full refund within 10 business days.

#### **Refund Policy**

Refund of Tuition Deposit for Withdrawal Within the First 7 Days: If notification of withdrawal from the University is submitted within 7 days of submission of the tuition deposit, a full refund of the tuition deposit will be returned to the student.

Refund of Tuition Deposit for Withdrawal After the First 7 Days but Before the Start of the Trimester: If notification of withdrawal from the University is submitted after 7 days of submission of the tuition deposit up to the start of the trimester courses, a partial refund of \$400 will be returned to the student. The University retains \$100 as an admissions fee.

USAHS has an established add/drop period that is the first week (7 days) of each trimester. All tuition, fees, and cost of attendance will be refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

At Least	But Less Than	Refund of Tuition
1 class	10%	90%
10%	20%	80%
20%	30%	70%
30%	40%	60%
40%	50%	50%
50%	60%	40%
60%	no	no refund

Refunds are made within 30 days of the date the University determines that the student has withdrawn. Students should notify the University in writing of the withdrawal, but a written notice of withdrawal is not required. Except in verified cases of emergency, if a student fails to submit the required documentation and be approved for a Leave of Absence, the student will be withdrawn 2 weeks after the University becomes aware the student has stopped participating. See Leave of absence section of catalog for further information on LOA.

For students who receive federal financial aid who withdraw (including transfers and leaves of absence) from *all* classes on or before 60% of the term has elapsed, a portion of their tuition will be returned to the lender. Please see the University's R2T4 policy for further information.

an addenda in the University Catalog/Handbook, including additional expenses, if any. Further, faculty are responsible for updating syllabi if changes are made. The program is predominately online on the trimester format as detailed on the academic calendar. There are also optional oncampus immersions. Costs associated with optional immersion experiences are incurred by the student USAHS will typically only postpone the scheduled starting date or class schedules due to unforeseen circumstances, including, but not limited to weather-related events, natural disasters, infectious disease outbreaks, or other events that may threaten the safety and security of the campus community. Campus operations would begin (or resume) once it is safe to do so and would be communicated to all students through e-mail. If the start of the term were delayed, the add/drop period would be adjusted to the new start date and refunds would be issued in accordance with the refund policy, located in the University Catalog/Handbook.

Some or all instruction and/or other academic activities may be delivered fully online Tuition and mandatory fees have been set regardless of the method of instruction and will not be refunded in the event instruction and/or other academic activities occurs fully online for any part of the Academic Year.

The student is responsible for the following fees and charges:

Late Fee: Any tuition and fee balance not paid at the time of trimester registration will receive a 10% late penalty. Tuition, fees, and late penalty must be paid in full no later than the close of business on the last day of the week in which classes begin.

\*Based on Fall 2024 tuition – Gross tuition price does not include discounts or scholarship (outlined in separate communications, if applicable) Tuition and fees are subject to change each academic year (September through August). Additional expenses are subject to cost change. Estimates provided for budgetary purposes and are not a final determination of financial aid awards or individualized price for attendance.

\*\*Graduation fee incurred is payable in the graduation term and is assessed regardless of attendance at commencement and is included in the Total Program Direct Expenses.

\*\*\*There may be additional associated costs, including, but not limited to travel and boarding costs for optional immersions and/or optional internships, and these costs may vary. You agree that the optional immersions and internships are not required by USAHS. The associated costs for participation in these experiences are solely the responsibility of the student. You further agree that the university is not under obligation to pay compensation and you assume all responsibility and risk with respect to your participation.

\*\*\*\*Figures are based on the potential expenses a typical student may incur for the identified program. Indirect discretionary personal expenses are provided for budgeting purposes and are only estimates. Costs vary based on whether students live off-campus or

remain in their personal residence.

\*\*\*\*\*Actual loan fees will be calculated on an individual basis depending on the amount of loans borrowed.

\*\*\*\*\*\*Students in Iowa, Maryland, Missouri and Wisconsin are subject to the refund policies specific to their state; please refer to separate refund policy document enclosed.

5. **Tuition Discounts/Scholarships:** Gross tuition price in the table above does not include discounts, scholarships, or grants offered at the individual student level. Students should refer to their admission letter and/or separate communications from USAHS for any potential discounts, scholarships or grants not otherwise reflected above. Any discounts provided are based on the

rates and discount at the time of initial enrollment and are contingent on continuous enrollment in the program.

- 6. **Transfer Credit and Program Cost/Length:** The table above does not take into consideration any previously earned institutional credit or approved transfer credit that may reduce an individual student's estimated program cost of attendance or time to degree completion.
- 7. **Returning Students:** Students returning to a program after a break in enrollment other than an approved leave of absence will be subject to the terms of the new enrollment agreement and any discounts in place, if applicable, at the time of signing the new enrollment agreement.
- 8. Methods of payment: Tuition is paid on a course-by-course basis when the student registers for a course. Tuition and fees are payable by check or credit card. Financial Assistance Information Although our financial aid counselors are campus-based, they are available to assist you at any point in the process. For information on financial assistance, please contact the USAHS Financial Aid Department at the St. Augustine, Florida Campus: 800-241-1027 or contactfinancialaid@usa.edu.
- 9. Credit from USAHS may or may not be transferable to other institutions. The option to accept credit by a graduate institution lies with that institution.
- 10. USAHS does not guarantee employment. Completion of the degree program is not a guarantee of employment. Career Services provides services to students online via the Optimal Resume and Handshake platforms, through on-campus career fairs twice yearly, and via online career coaching. Access Career Services by logging into the MyUSA portal, Student Services tab, Career Services link. In Optimal Resume, students can create a resume and cover letter and have them reviewed by a career coach, record a practice interview, create a career portfolio, and view informational videos on current career topics. In Handshake, students can create a career profile with a resume, post it for employers to view, and apply to job postings. Each semester, new students will be invited to join Handshake. Career fairs are held twice a year on each campus. Student referrals to prospective employers are not based on direct contact with the employer regarding current job openings.
- 11. For information on USAHS' Formal Complaint Process, please visit <a href="www.usa.edu/complaints/">www.usa.edu/complaints/</a>.
- 12. To elect a specialization, you must choose the specialization at the time of enrollment and are advised that subsequent changes to your chosen specialization could result in additional hours, tuition, and/or fees.
- 13. Please visit https://www.usa.edu/doctor-of-education-edd-program/#admission-reqs (Accreditation and State Approvals/Post-Graduation Licensure) for a listing of states USAHS accepts applications from for this program; prospective students residing in states where the program does not have state authorization are not accepted. The EdD program is not designed or intended to lead to professional licensure in any state.
- 14. Students are required to notify the University if they relocate to a new state, including updating their address of record in the MyUSA portal. Students who move to a state where USAHS does not have approvals or where the program does not meet state licensure requirements may be dismissed from the program.

#### **Campus Participation Expectations**

By entering onto a physical campus of USAHS or participating in USAHS activities I acknowledge that I may be exposed to risks (including risk of exposure to COVID-19) that may result in my illness or personal injury. I understand that USAHS cannot eliminate these risks and I accept all risks to my health that may result.

## Refund Policies TUITION REFUND POLICY

#### **Cancellation and Tuition Refund Policy**

USAHS' institutional refund policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the student or fund source may result from the application of the University's Institutional Refund Policy.

#### **Deposit Refund Policy**

When notification of withdrawal from the University is submitted, the University retains the non-refundable \$100 deposit, if required, in compliance with applicable state regulations according to the applicant's state of residence.

#### **Notice of Cancellation**

Students must notify the University in writing of cancellation. All monies paid by an applicant other than the non-refundable deposit (if required), books, supplies, materials and kits that are not returnable from use are refunded if cancellation occurs within the first week (seven-days) of instruction.

#### **Tuition Refund Policy**

USAHS has an established add/drop period that is the first week (7 days) of each trimester. All tuition and fees charged to the student's account are refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:

Withdrawing from a Program – Refund of Tuition after the Start of Trimester Courses: For students who withdraw from all classes during days 1–7 of the trimester (add/drop period), 100% of tuition (minus the matriculation fee, if required) is refunded to the student and/or to the loan provider. For students who withdraw from all classes after day seven but before more than 60% of the term has elapsed, the University calculates the refund using a percentage formula and returns the refund to the student and/or to the loan provider. If more than 60% of the term has elapsed, there is no refund.

**Withdrawing from a Course:** Students withdrawing from one or more course(s), but not the program, have their refund calculated under the same percentage formula as those withdrawing from a program.

- **Step 1:** Determine the percentage of the enrollment period the student attended before withdrawing (days attended divided by total days in the period). If over 60%, then no refund is due.
- **Step 2:** Determine the amount of tuition earned by the school by multiplying the total tuition/fees charged by the percentage of time enrolled.
- **Step 3:** Compare the amount of tuition earned by school to the amount received by the school. If more funds were received by the school than tuition earned by school, determine the amount of funds that must be returned by subtracting the tuition earned by the school amount from the amount received by the school.
- **Step 4:** Distribute this calculated amount as a refund to the student.

Refunds are made within 30 days of the date the University determines that the student has withdrawn. For students who receive federal financial aid and who withdraw (including transfers and leaves of absence) from ALL classes on or before 60% of the term has elapsed, a portion of your tuition will be returned to your lender. Please see the University's R2T4 policy for further information.

#### IMPORTANT NOTICE FOR VA AND OTHER GOVERNMENT EMPLOYEES

## USAHS STUDENTS WHO ARE EMPLOYEES OF VETERANS AFFAIRS OR OTHER GOVERNMENTAL ENTITIES DISCLOSURE ON DISCOUNTS AND OTHER BENEFITS

USAHS may, at times, offer discounted tuition, scholarships, or other benefits to eligible students or prospective students enrolling in USAHS. Pursuant to the standards of the Executive Branch, it is your responsibility to consult your employer prior to receiving such a discount, scholarship, or other benefit to confirm with your employer to ensure you are in compliance with any policies or procedures required by an employee in your position. Further, Veterans Affairs ("VA") employees are prohibited from being involved in any recommendations, decisions, approvals, or disapprovals that could affect USAHS.

VA employees who administer VBA educational benefits are required to obtain a waiver from their employer in order to take classes from a For-Profit Educational Institution ("FPEI"), such as USAHS. For all other VA employees, a waiver is required if they own an interest in, receive a salary or wage from, or receive gifts from an FPEI. As such, you are advised to consult with your employer to obtain any required approvals prior to enrolling in the University or accepting any discounts, scholarships, or other benefits. Failure to receive the required governmental approvals prior to acceptance could result in corrective action by your employer and/or other penalties, and it could impact your ability to remain enrolled in the University. USAHS makes no representation or guarantee that a student's or prospective student's enrollment or acceptance of a discount, scholarship, or other benefit offered by the University is in compliance with standards of the Executive Branch.

## \*\*IMPORTANT\*\* Admissions Policies

#### **Degree Requirements:**

You must successfully complete your baccalaureate/master's degree requirements <u>prior to the first day of classes</u>. You must also provide <u>evidence</u> to the Admissions Office that indicates degree completion. This can be done by requesting a letter from your Registrar's Office stating you have completed all your degree requirements. You have until the end of the fourth week of the trimester to provide the <u>official transcripts</u> to the Admissions Office that document successful completion of your degree. You will not be eligible for any financial aid disbursements until you meet this requirement. All pending official admissions documents (prerequisite courses and final official transcripts with degree conferral) should be submitted within thirty (30) days after the start of term. If you do not supply a final transcript and official pending documents by the due date noted above, you will be at risk of having your acceptance from the University rescinded. University tuition refund policies will apply in such cases.

#### Misrepresentation:

Misrepresentation includes information known as false and with the intent of obtaining employment or admission to an educational program at the University of St. Augustine for Health Sciences. Statements made and documents supplied by the University of St. Augustine for Health Sciences applicants and students must be complete and accurate. The university will not tolerate any misrepresentation by a student or applicant of past or current academic programs, degrees, or professional accomplishments. If unexplained discrepancies appear between statements or documents provided to USAHS and information obtained otherwise, except in the case of misspellings and other such inadvertent errors, applicants may be rejected for admission and enrolled students may be dismissed.

## Wisconsin Tuition Refund Policy for MOT, OTD, SLP and DPT Programs

#### **Wisconsin Students Notice of Cancellation**

Students residing in Wisconsin have the right to cancel enrollment for a program until midnight of the third business day after all parties have signed the enrollment agreement. USAHS provides the Wisconsin Notice of Cancellation Form with the enrollment agreement. All students residing in Wisconsin who utilize the cancellation privilege will receive a full refund within 10 business days.

#### **Refund Policy**

Refund of Tuition Deposit for Withdrawal Within the First 7 Days: If notification of withdrawal from the University is submitted within 7 days of submission of the tuition deposit, a full refund of the tuition deposit will be returned to the student.

Refund of Tuition Deposit for Withdrawal After the First 7 Days but Before the Start of the Trimester: If notification of withdrawal from the University is submitted after 7 days of submission of the tuition deposit up to the start of the trimester courses, a partial refund of \$400 will be returned to the student. The University retains \$100 as an admissions fee.

USAHS has an established add/drop period that is the first week (7 days) of each trimester. All tuition, fees, and cost of attendance will be refunded to students or to student loans if the student withdraws from a program or a course within the add/drop period.

If a student withdraws from the program or a course after the add/drop period but prior to completion, the student may be eligible for a tuition refund in accordance with the following policy:
